Book Review Index

The average length of Jesus' conversations as recorded in the Gospels was 42 seconds long. This is good news for all of us. It frees us up to talk about the most important part of our lives in a way that's natural, meaningful, and helpful instead of clumsy, awkward, and irrelevant. Anyone who has spent countless uncomfortable hours walking from house to house with a clipboard or flash cards that talk about four spiritual laws understands. Jesus' conversations were remarkably simple. Contemporary Christian lingo has set up a dichotomy between what we call "discipleship" and "evangelism," but the Bible doesn't do that. Jesus had conversations all the time with those who thought they were close to God, as well as with those who deemed themselves lost and without

hope. He invited all of them to come and learn from Him. 42 Seconds is a simple book that uses the ordinary moments of our lives the way Jesus used the same moments in his own. The premise is straightforward: If we can learn from Jesus how to have great conversations, it will change our lives and the lives of those around us. Its four-part structure, including five short chapters per section, is for churches and small groups to engage with the practical ideas together. 42 Seconds includes discussion questions to help groups and individuals implement Jesus' natural rhythm of interaction in their own lives.

Young or old, single or married, male or female—at some point in life, we're all confronted with loneliness. We try to fill the void or change our circumstances so we no longer feel the pain. But what if our pangs of loneliness are meant to point us to something greater? Looking at various aspects of loneliness, Lydia Brownback reminds us of God's power to redeem our loneliness and use it in our lives to draw us to himself. Ultimately, she helps us see that even when we feel misunderstood, forsaken, or abandoned, we're never really alone. God is always with us, and only he can meet all of our needs in Christ Jesus.

This study seeks to make a contribution to current debates about the nature of Wirkungsgeschichte or reception history and its place in contemporary Biblical Studies. The author addresses three crucial questions: the relationship between reception history and historical-critical exegesis; the form of reception history itself, with a focus on the issue of which acts of reception are selected and valorized; and the role of tradition, pre-judgements and theology in relation to reception history. Disagreements about these matters contribute to what many characterise as the fragmentation of the discipline of biblical studies. The

study champions the hermeneutics of Hans-Georg Gadamer as a theoretical resource for understanding biblical interpretation, and a way of holding together with integrity the varied activities undertaken within the discipline. Each aspect of the argument is illustrated, tested and further explored with reference to the post-history of exhortations in the New Testament to 'be subject'. These have been widely cited and applied for 2,000 years - in literature, law and politics as well as in theological traditions. In this way the study makes a contribution not just to the theory but also the practice of reception history.

Leadership by the Good Book will inspire, empower, and equip men and women to lead their businesses, their teams, their ministries, and even their families to greater heights and to have an eternal impact. For David L. Steward, founder and chairman of World Wide Technology, his philosophy for building a successful business is simple and founded on a Biblical principle: "For even the Son of Man did not come to be served, but to serve" (Mark 10:45 NIV). As a business leader, he says, the first priority is to serve employees. Together with Brandon K. Mann, these two leaders distill their wisdom in this field guide for leaders who want to bring respect, integrity, honesty, and trust to the workplace. Steward and Mann draw from personal experiences as well as share insights and examples of how God's Word has informed and influenced their leadership. Each chapter ends with a section titled Your Leadership Flywheel: Learn, Live, Lead, Legacy, which includes self-reflection questions, application of biblical principles, as well as a prayer.

Alongside

Understand, this book is not written to make you feel bad or condemn you if you have not engaged others with the gospel message. This book is written to encourage and inspire you. Even though pastor and author Greg Laurie is a “gospel-presenting professional,” in this book he tells stories of his own failure and success. The most important things you will find here are biblical principles that you can apply yourself. Taken from the life and witness of Jesus, and tested over Greg’s forty years of ministry, in both one-on-one experiences and large-scale evangelistic arena and stadium events, these ideas are intended to mobilize every person in the church to “Tell Someone” about Jesus Christ.

You dont have to look too far for evidence that teenagers and young adults are struggling in our

Preschoolers, Elementary, Teenagers, And Any Age world. A changing culture, the ways social media connects (and alienates), the difficulties of starting a career, and so many other reasons that students struggle to know God, themselves, and their place in this world. There are many different explanations for why teenagers and young adults struggle, but one thing they all have in common is a desire to be loved. Students today are hungry for love. If the gospel is the greatest love story ever told, how do we come alongside to share it with our young friends? Sharing the gospel is far more than sharing information. Its opening up our lives and sharing our souls. Its unveiling our longings, fears, and joys. Its inviting others into our mess and being willing to step into theirs. This book will inspire and direct you in coming alongside the students in your life, whether you are a parent, youth pastor, youth group leader, grandparent, coach, or teacher. If Jesus has come alongside you, you can bring Jesus to the young people in your life. Alongside gives readers the insight, tools, framework, and inspiration to share Jesus and your life with students and to communicate the gospel by your actions and your words. With students, as with all of us, the word and deed of the gospel must go hand in hand.
