Life and Letters of Toru Dutt

Anglophone Poetry in Colonial India, 1780–1913: A Critical Anthology makes accessible for the first time the entire range of poems written in English on the subcontinent from their beginnings in 1780 to the watershed moment in 1913 when Rabindranath Tagore won the Nobel Prize in Literature. Mary Ellis Gibson establishes accurate texts for such well-known poets as Toru Dutt and the early nineteenth-century poet Kasiprasad Ghosh. The anthology brings together poets who were in fact colleagues, competitors, and influences on each other. The historical scope of the anthology, beginning with the famous Orientalist Sir William Jones and the anonymous “Anna Maria” and ending with Indian poets publishing in fin-de-siècle London, will enable teachers and students to understand what brought Kipling early fame and why at the same time Tagore’s Gitanjali became a global phenomenon. Anglophone Poetry in Colonial India, 1780–1913 puts all parties to the poetic conversation back together and makes their work accessible to American audiences. With accurate and reliable texts, detailed notes on vocabulary, historical and cultural references, and biographical introductions to more than thirty poets, this collection significantly reshapes the understanding of English language literary culture in India. It allows scholars to experience the diversity of poetic forms created in this period and to understand the complex religious, cultural, political, and gendered divides that shaped them.

Critical Responses To Feminism

This eBook edition of "Ode to a Nightingale" has been formatted to the highest digital standards and adjusted for readability on all devices. "Ode to a Nightingale" is either the garden of the Spaniards Inn, Hampstead, London, or, according to Keats' friend Charles Armitage Brown, under a plum tree in the garden of Keats House, also in Hampstead. According to Brown, a nightingale had built its nest near his home in the spring of 1819. Inspired by the bird's song, Keats composed the poem in one day. It soon became one of his 1819 odes and was first published in Annals of the Fine Arts the following July. "Ode to a Nightingale" is a personal poem

that describes Keats's journey into the state of Negative Capability. The tone of the poem rejects the optimistic pursuit of pleasure found within Keats's earlier poems and explores the themes of nature, transience and mortality, the latter being particularly personal to Keats. The nightingale described within the poem experiences a type of death but does not actually die. Instead, the songbird is capable of living through its song, which is a fate that humans cannot expect. John Keats (1795-1821) was an English Romantic poet. The poetry of Keats is characterized by sensual imagery, most notably in the series of odes. Today his poems and letters are some of the most popular and most analyzed in English literature.

The Diary of Mademoiselle D'Arvers

The English Language Poetry of South Asians

In this study, ten independent critical essays and a closing piece have been arranged as chapters to explore the English-language poetry of South Asians in terms of time, place, themes, and poetic methodologies. The transnational perspective taken establishes connections between colonial and postcolonial South Asian poetry in English as well the poetry of the old and new diaspora and the

Subcontinent. Transnational poetics are studied by grouping poets flexibly according to regions, time periods, literary movements, and poetic methodology. The poetry analysis covers the relevance of historical allusions as well as underlying concerns of gender, ethnicity, and class. Comparisons are offered between poets of different places and time periods, yielding numerous sociopolitical paradigms that surface in the poetry.

Asian Review

Contributed articles; covers the period 20th century.

Ecology, Culture, and Change

Sikkim has a population of 3,16,355 people (1981 census) and an area of 4276 Sq. Kms. Despite its small area, much ethnic, linguistic and cultural diversity is exhibited. Very few studies on the diverse tribal culture were undertaken in the eighteenth and early nineteenth century. No anthropological studies have been undertaken on Sikkim since its integration with India. This work prepared under Man and Biosphere Programme of UNESCO is a significant contribution to the knowledge of this little known part of the mountain world. In the present book, Dr. Veena Bhasin, who carried out field work during 1981 to 1983 in North Sikkim

records the complex patterns of the two diverse cultures of the Lepchas and the Bhutias of North Sikkim. A micro approach has been used to explore in depth, the myriad aspects of life at Dzongu reserve habited by Lepchas and Lachen and Lachung valleys habited by Bhutias. The social organisation, religious beliefs, economic structure and social control have been described in detail.

A Sheaf Gleaned in French Fields

Project undertaken by the Council of Oriental Research, Bhopal; covers research done up to 1978 and subjects registered since 1970.

ODE TO A NIGHTINGALE

The book, through critical analysis and assessment, tries to establish Seth as a powerful and serious writer, who deserves to be taken seriously, both by the general reader and the discerning scholar and researcher. The analyses concentrate on his individual books and attempt to trace the continuity of Seth's thought-process, motivation and attitudes, as well as the dimensions of his structural control over the medium. It is a comprehensive account of Seth's poetry and fiction contained within a singular volume. An attempt has also been made to briefly place Seth as an Indian writer of English, in the context of the

Development Of Indian English Literature, Particularly In The Post-Independence Period. On The Whole, Seth In His Poetry And Fiction, Puts Continuous Emphasis On Love And Relationship, And Explores Their Many Dimensions In A Shifting, Changing And Corroding Background. At The Same Time He Incorporates Together The Complementary Segments Of Life As Available In The Modern World Into A Meaningful Form. His Creative Insight And Creative Achievement Could Be Considered As One Of The Finest In The Post-1980 Indian English Literature. This Book Reflects All These And Much More. It Is Hoped That Students And Teachers Of Indian English Literature Will Find This Book An Extremely Useful Reference Source While The General Readers Who Are Interested In Literature In English Will Find It Intellectually Stimulating.

A Critical Analysis of Vikram Seth's Poetry and Fiction

National Register of Doctoral Dissertations Accepted & in Progress in Social Sciences and Humanities in Indian Universities, Humanities: English literature & linguistics

Recollection as Redemption

Apologie for Poetrie, 1595

The Journal of Indian Writing in English

Indian and Foreign Review

Indian Renaissance took birth in the 19th century Bengal. Indian English poetry originated from Calcutta. The author discusses and analyses the connections and interactions between the two phenomena and establishes that Indian English poetry originated as an inevitable outcome of the historical situation in India at that particular point of time.

MLA International Bibliography of Books and Articles on the Modern Languages and Literatures

Quest

Set in France in the second half of the nineteenth century, *The Diary of Mademoiselle D'Arvers* is a novel of possibilities and limitations; of love, marriage and domesticity, and the heartaches and joys of growing up. Fifteen-year-old Marguerite, fresh from her convent education and extremely religious, returns to her family and experiences the first stirrings of love, only to find herself entangled in a complicated net of relationships. The story traces Marguerite's growth through adolescence to maturity and marital happiness. Written in secret and discovered by the author's father after her death, this poignant novel is a unique and unexpected outcome of the intellectual, linguistic, and cultural ferment of nineteenth-century colonial Bengal.
