## Me & Emma

In this lyrical picture book with subtle conservation themes, a girl helps rescue a whale who has washed ashore. Here is a beautifully written, moving story that will appeal to all animal lovers, and to those interested in protecting our oceans and marine life. Emma lives in a crooked house in an old whaling town, and often takes her dog, Nemo, to the beach. On their walks, they find amazing treasures, like shells and stones and sea glass—and even a loggerhead turtle. But one day, they find something completely unexpected: a baby whale, washed ashore. Emma empathizes with the animal's suffering, imagining what the whale is thinking and feeling. When the tide starts to come in, Emma pushes as the water swirls and rises, and eventually the whale swims free, back to her mother.

## Emma and the Banderwigh

Because Mommy teaches Emma that God is present in everyone in the world, Emma learns not to be afraid and even asks God to help Peter. Reprint.

## Emma and the Blue Genie

Emma loves art, and everything she crafts is inspired by her scruffy dog, Muse. But creativity soon goes awry when Muse alters Emma's latest masterpiece; Emma is furious and Muse flees the scene. With no Muse in sight, Emma loses her creative spark and best friend. What will it take to win back her beloved Muse?

### **Emma and Kelly**

Emma needs a break from big-sister duty in this addition to Spotlight's treat of a tween series. Emma is not thrilled with always having to rearrange her schedule so she can babysit her younger brother, Jake. Now Emma's parents have broken some news that really threatens to push Emma over the edge—since Emma and Jake are going to the same day camp this summer, she's expected to sit with Jake on the bus. Not only does this mean Emma can't hang out with her friends, but she also has to comfort Jake—who has a serious issue with motion sickness. Can Emma find a way to sweeten up her summer plans?

### **Emma And The Outlaw**

Emma Armstrong has a plane ticket to paradise. But she already knows this family vacation will be hell for her. Next to her perfect older sister, twenty-eight-year-old Emma feels like a failure. Not only does her sister radiate elegance and spend her time saving the planet, but she just announced she's pregnant--much to their parents' delight. Who can compete with a sibling who's growing a human being? Then it dawns on Emma. If she can convince her best friend at the office, Luke, to come with her to Hawaii posing as her handsome entrepreneurial boyfriend, she'll no longer seem so pathetic in her family's eyes. Luke, however, will only agree to the arrangement if Emma helps him get the attention of his crush--a girl she's convinced is all wrong for Luke. Despite her reservations, Emma agrees. Luke is her friend, after all. When they get to Hawaii, though, she discovers she's in over her head. Luke looks phenomenal in his swim trunks. Emma can't stop thinking unthinkable thoughts about him. And she soon finds out that those tingly, tongue-tying feelings are mutual. Giving into their longings is blissful at first and then it isn't. With her friendship with Luke suddenly on the brink of ruin and her family more disappointed in her than ever, Emma is desperate to fix things. This time, though, there's no way to fake it. To untangle this mess, it's going to require digging deep, fessing up the bare truth and maybe a Mai Tai or two.

### **Emma and the City**

What better place than pale England to hide a secret society of gentlemen vampires? In this hilarious retelling of Jane Austen's Emma, screenwriter Wayne Josephson casts Mr. Knightley as one of the most handsome and noble of the gentlemen village vampires. Blithely unaware of their presence, Emma, who imagines she has a special gift for matchmaking, attempts to arrange the affairs of her social circle with delightfully disastrous results. But when her dear friend Harriet Smith declares her love for Mr. Knightley, Emma realizes she's the one who wants to stay up all night with him. Fortunately, Mr. Knightley has been hiding a secret deep within his unbeating heart--his (literal) undying love for her. A brilliant mash-up of Jane Austen and the undead.

### **Emma All Stirred Up!**

A young woman who was born blind and spent twenty-eight years of her life in darkness describes the three events that changed her life beginning with her acquisition of a chocolate brown seeing-eye retriever named Emma

### **Emma and Her Friends**

Lance Hewson's book on translation criticism sets out to examine ways in which a literary text may be explored as a translation, not primarily to judge it, but to understand where the text stands in relation to its original by examining the interpretative potential that results from the translational choices that have been made. After considering theoretical aspects of translation criticism, Hewson sets out a method of analysing originals and their translations on three different levels. Tools are provided to describe translational choices and their potential effects, and applied to two corpora: Flaubert's Madame Bovary and six of the English translations, and Austen's Emma, with three of the French translations. The results of the analyses are used to construct a hypothesis about each translation, which is classified according to two scales of measurement, one distinguishing between "just" and "false" interpretations, and the other between "divergent similarity", "relative divergence", "radical divergence" and "adaptation".

### **Only Emma**

" the wishes, the hopes, the confidence, the predictions of the small band of true friends who witnessed the ceremony, were fully answered in the perfect happiness of the union." Thus the last line of Jane Austen's Emma. A year later, Emma and Knightley are still living at Hartfield, surrounded by the Westons, the Eltons and the Bateses. But as events unfold, the couple must deal with the return of Frank Churchill, now widowed, and Knightley's apparently endless patience is tried by events in his brother's family, as well as his beloved Emma's whims and fancies. But the irrepressible Emma is restless Emma wants Knightley to stop treating her like a child. Knightley meanwhile wants his young bride to love him as a husband, not as the man she's always looked up to. With tragedy in the offing, and events unfolding that include beloved characters from Emma, the couple must find their way to each other, and to perfect happiness. With a wonderful grasp of the manners and style of the day, this warm and witty exploration of a marriage between a sheltered (not to say spoiled) young lady and the man she looked upon as an older brother fulfills the romantic longings of Jane Austen lovers everywhere.

It-girl Emma Worth appears to have it all. But despite her designer outfits and glitzy New York lifestyle, something's missing . . . Follow Emma as she finds her purpose, self-worth and ultimately love in this romantic comedy about how blind we can be to our own faults and how sometimes everything we've ever wanted is right before our eyes.

### **Emma and the Vampires**

Setting a genie free from a bottle that washes up from the ocean, Emma and her noodle-tailed dog help the genie reclaim his magic nose ring from an evil yellow genie who has stolen all of his powers. By the best-selling author of Inkheart. Simultaneous eBook.

### **Emma and Mommy Talk to God**

“A CIRCUS DAY ADVENTURE FOR EMMA AND JAKE” Having now experienced the thrill and success of my 1st edition children’s book “The Magical Adventures of Emma and Jake,” I am struck with renewed enthusiasm during the creation of this 2nd edition “A Circus Day Adventure for Emma and Jake.” The colours and ideas just flowed while I painted on 12 x 12 canvas boards, all the images and characters. I designed this book to relate to all things for a day at the Circus, colourful, entertaining and educational. For children up to 7 years of age, the reader will experience all the wonder of the Circus and the joys it brings. I wanted very much to create the second edition book based on a theme that children of this age group would enjoy and even learn from. I feel I have again accomplished my mission and you will see Emma and Jake are thrilled to be going off on another adventure together this time joined by Emma’s Mom and Dad. I have long awaited this day to bring such colorful themes to life for young children, as I come from a very large extended family myself with many youngster in it. The tremendous joy of seeing young faces light up with a good story line and colorful subjects, while learning from it all, is a sight to behold. Do enjoy this 2nd edition children’s book “A Circus Day Adventure for Emma and Jake” as illustrated and written by Mary Ann Barker (writer/artist). Also look for my 1st edition “The Magical Adventures of Emma and Jake.”

### **Emma and the Earl**

Emma is an independent young elephant who wants to live life on her own terms. Though she likes living by her own rules, she gets lonely while enjoying her life away from her family. She meet an ant named Kelly and gets lessons about teamwork from her and learns the importance of family from the tiny ant.

### **Emma and the Whale**

## Where To Download Emma And I

Emma, one of England's most remarkable queens, made her mark on a nation beset by Viking raiders at the end of the Dark Ages, a period often neglected by conventional history. At the center of a triangle of Anglo-Saxons, Vikings, and Normans all jostling for control of England, Emma was a political pawn who became a power broker and an unscrupulous manipulator. By birth a Norman, Emma spent the majority of her life on English soil. She was married to two kings of England and outlived both; she was twice driven into exile; while mourning the untimely loss of one son, she was devastated by the murder of another; she saw two of her sons crowned; she was stripped of her powers when her eldest son became king; and she eventually retired from public life as a dowager queen whose land and wealth had been restored. Regarded by her contemporaries as a generous Christian patron, a regent admired by her subjects, and a Machiavellian mother, Emma was, above all, a survivor: hers was a life marked by dramatic reversals of fortune. Harriet O'Brien is a journalist based in London. She has written for the Independent and Condé Nast Traveler, among other publications. This is her second book.

### **Emma And The Outlaw**

An enchanting and inspirational tale from the Northern Forests featuring love, compassion, humour and a dinosaur! Emma is always happy to be out roaming in the forest with her faithful friend Teddy the dog but although she knew the forest to be a magical place she'd never imagined meeting a dinosaur there! Find out how Emma and the Dinosaur discuss the nature of life and consciousness in order for T Rex to find peace in overcoming isolation & misunderstanding. A beautiful tale for adults and children to share and enjoy.

### **Emma and the Lost Unicorn**

Despite her unconventional upbringing -- she'd been adopted off the orphan train by the local "madam" -- Emma Chalmers was the most prim and proper young lady in all of Whitneyville. Why, she wouldn't even permit Fulton Whitney to kiss her, and they were practically engaged! But when Steven Fairfax landed in her home, wounded in an explosion at the town's raunchiest saloon, his lazy smile made Emma's blood race. Slowly, Steven stilled her fears with his gentle, insistent caresses until at last she gave herself unashamedly to the splendid passion that was their destiny. Yet now Emma faced a new terror -- for the drifter she loved so desperately was a wanted man, and his past was about to catch up with him!

### **Mary Emma & Company**

Rainey, the unicorn, is a prince who has been banished, for centuries, by the warlord, Hazard. He can never return home unless Emma solves more riddles than Kodak, Hazard's Lieutenant and discovers his secret weakness. The fable ends with a surprise twist which will delight readers. While written for children, this fairy tale is sophisticated enough to appeal to adults

as well. Queens, warlocks, faeries, elves, unicorns, handmaidens, scary henchmen and one small mortal girl child, in an enchanted forest. The rhetorical owl and naughty elf provide much laughter. This parable offers many subtle lessons.

### **Emma and the Blue Genie**

Narrated with simplicity and unabashed honesty, Elizabeth Flock's critically acclaimed New York Times bestselling novel *Me & Emma* is a vivid portrayal of a child's indomitable spirit, her incredible courage and the heartbreaking loss of innocence. In many ways, Carrie Parker is like any other eight-year-old—playing make-believe, going to school, dreaming of faraway places. But even in her imagination, she can't pretend away the hardships of her impoverished North Carolina home or protect her younger sister, Emma. As the big sister, Carrie is determined to do anything to keep Emma safe from a life of neglect and abuse at the hands of their drunken stepfather, Richard—abuse their momma can't seem to see, let alone stop. But after the sisters' plan to run away from home unravels, Carrie's world takes a shocking turn—and one shattering moment ultimately reveals a truth that leaves everyone reeling.

### **Emma and Julia Love Ballet**

As a girl, Sheila never let her gradual descent into blindness prevent her from trying to do everything a sighted person could do. Then at 17, unable to see to find her way around the house she grew up in, she found herself dreading her future in an 'ever darkening vacuum'. But then the remarkable Emma enters her life, and Sheila begins a journey that brings her the independence, love and happiness she never dreamed possible. *Emma and I* is the moving and inspirational story of the unique bond between Sheila and her dog, and shows that, sometimes, miracles do happen.

### **Emma and I**

"Both twisted and twisty, this smart psychological thriller sets a new standard for unreliable narrators." -Booklist, Starred Review  
One night three years ago, the Tanner sisters disappeared: fifteen-year-old Cass and seventeen-year-old Emma. Three years later, Cass returns, without her sister Emma. Her story is one of kidnapping and betrayal, of a mysterious island where the two were held. But to forensic psychiatrist Dr. Abby Winter, something doesn't add up. Looking deep within this dysfunctional family Dr. Winter uncovers a life where boundaries were violated and a narcissistic parent held sway. And where one sister's return might just be the beginning of the crime.

### **Emma in the Night**

They all have reasons for their singleness or do they? Emma and her two roommates have one major thing in common (other than being in their early thirties, that is!). They all have "reasons" for their singleness. Together they live in quiet harmony. But unbeknownst to them their married friends are plotting their demise. The arrival of a plethora of eligible men will throw their worlds topsy-turvy and take them on a hilarious ride through the dating world with some unexpected results.

### **Emma and I**

Emma introduces the friends who will attend her birthday party and their favorite colors.

### **Emma and the Civil Warrior**

Eight-year-old Emma McGraw is an only child who lives with her mom in their "cozy" condo. When four-year-old Anthony Scarpetto moves in for a week while his parents are away, Emma is not happy. He's loud, he smells, and he touches her stuff. And that's only half of it! Emma has started at a new school, and has finally begun to make friends. But how can she invite anyone over when annoying Anthony is there? Emma is in for a surprise, though. As the week goes by, she starts to realize that having a "little brother" may not be as bad as she thought.

### **Emma and the Minotaur**

A story that follows the everyday life of two girls, one a professional ballerina, the other a student, both of whom love ballet.

### **A Circus Day Adventure For Emma and Jake**

## Where To Download Emma And I

The beloved and bestselling author of Inkheart brings her signature imagination, adventure, and humor to a magical full-color chapter book for young readers! One night, Emma finds a mysterious green bottle floating in the ocean. When she pulls out the stopper, she sets a blue genie free! Most genies grant three wishes, but Karim can't grant even one anymore. A yellow genie stole his magic nose ring, leaving him small, powerless, and trapped in that bottle. Emma and her noodle-tailed dog have to help Karim get his nose ring—and his magic—back!

### **Emma & Knightley**

Emilia, the only daughter of a rich family, falls in love with the charming, poor aristocrat Dominique. And he cared for the awkward Emilia, as well. However, once she found out his goal was her fortune, she declined his proposal. After, falling upon hard times, Emilia left the high society scene. Changing her name to Emma and working as a tutor, one day, she receives a work request from an earl

### **Emma and Allie**

Most things are forgotten over time. But some things are engraved upon your heart, We can forget the pain itself. The life and death struggle we go through all could turn to be like something from a distant past. To survive we will find that it is necessary to let things go. But still, no matter how much time passes, no matter what life throw at you, there are some things we can never assign to oblivion, memories we can never rub away. They remain with us forever, like a scar it will be always part of us. To be able to stay alive at some point we must decide, We can either wait for a lost hope or forget to live.

### **Queen Emma and the Vikings**

## Emma and the Dinosaur

### EMMA AND THE EARL 1

"Why can't I have a dog?" Emma says for the twentieth time. Her father explains that dogs aren't allowed where they live. Then, one wonderful day, Emma finds Scruffy a hungry shaggy, little dog that belongs to nobody she is determined to keep Scruffy and somehow she's going to do it!

### **Memoirs of Emma and her Nurse. By the author of "The History of Margaret Whyte," etc. [Signed: L.]**

Living out her own fairy tale... American Emma Lawrence knew she was too ordinary to ever have a British aristocrat fall in love with her! But when she found herself locked in the Earl of Palliser's embrace, her heart couldn't help but hope. Now ensconced on Brice Palliser's lavish estate, Emma saw how different her everyday life was from the earl's. And Brice made her feel like the belle of the ball, when the clock struck midnight, would Emma be left with a pumpkin carriage...or the keys to Brice's heart?

### Emma's Pet

Ten-year-old Emma doesn't believe in faerie tales or monsters that secret children away in the night—until she meets one. She lives in a quiet village at the edge of Widowswood with her parents, her Nan, and her little brother, Tam. Ready to abandon the whimsy of childhood, she finds the boredom of chores comforting and Nan's fanciful bedtime stories silly. One morning, a wan and weary older girl staggers out of the woods and sets the entire town aflutter with whispers of a child-stealing monster lurking in the forest. Nan tells her of the Banderwich: a dark soul who feeds on sorrow and drains the life from children's tears. Darkness comes calling on Emma's happy home, threatening the reality to which she desperately clings. The impossible becomes more and more real, forcing Emma to reach inside herself for the ability to believe. Her family depends on it.

### An Approach to Translation Criticism

Allie and Emma are two sisters who see things very differently. Experience one year with them as they grow and change

together. You may find that they are not quite as different as you once thought.

### **Emma And The Cutting Horse**

### **The Adventures of Emma and Scruffy**

The protagonist, Mary Emma Moody, widowed mother of six, has taken her family east in 1912 to begin a new life. Her son, Ralph, then thirteen, recalls how the Moodys survive that first bleak winter in a Massachusetts town. Money and prospects are lacking, but not so faith and resourcefulness. "Mother" in *Little Britches* and *Man of the Family*, Mary Emma emerges fully as a character in this book, and Ralph, no longer called "Little Britches," comes into his own. The family's run-ins with authority and with broken furnaces in winter are evocative of a full and warm family life. Mary Emma & Company continues the Moody saga that started in Colorado with *Little Britches* and runs through *Man of the Family* and *The Home Ranch*. All these titles have been reprinted as Bison Books, as has *The Fields of Home*, in which Ralph leaves the Massachusetts town for his grandfather's farm in Maine.
