Face2face Intermediate Workbook Answer Key Italian Edition

Face2face is a general English course for adults and young adults who want to communicate quickly and effectively in today's world. This Workbook Answers section is available separately from the pack, which is a saleable item. The presentation and practice of vocabulary and grammar are of equal importance and there is a strong focus on listening and speaking with an emphasis on 'real world' language for social situations. The listening and reading material provides fresh new angles on universal topics, and students are given numerous opportunities to practise new language through a wide variety of communicative activities, many of which are personalized. face2face is also fully compatible with the Common European Framework of Reference for Languages and gives students regular opportunities to evaluate their progress. Each self-contained double-page lesson is easily teachable off the page with minimal preparation. The Teachers Books contain optional photocopiable resources and tests, ensuring that the course can be tailored to the needs of different classes. Each level provides approximately

80 hours of core teaching material, which can be extended to 120 hours with the inclusion of the photocopiable resource material and extra ideas in the Teacher's Book. The Student's Books are packaged with a free CD-ROM/Audio CD which offers hundreds of extra practice activities, video sequences, recording capability, customizable texts and much more.

face2face Advanced Student's Book

This series of learning objectives offers all practitioners a description of the language needed to assure a learner's ability to deal with the challenges presented by everyday communication.

Evolve Level 3A Student's Book

"The Teacher's Book contains : a description of the face2face methodology ; a visual reference guide to the key features of the Student's Book ; photocopiable instructions for the free Student's Book CD-ROM/Audio CD. The 'Classware' brings together onto one DVD-ROM the text, images and audio from the Student's Book plus the video from the CD-ROM. This gives teachers a new way of presenting and using the 'Student's Book material in class. This software can be used with interactive whiteboards, portable whiteboards, or simply a computer and projector."--Publisher.
