The Time Garden

Colourmorphia

Millie Marotta's art celebrates the natural world, with remarkable animals, plants, and landscapes. In response, colorists everywhere have devised dazzling palettes, inventive techniques, and imaginative ideas to bring her illustrations to life. This special collection honors that creative community, gathering the drawings from Millie's five previous coloring books that inspired them most. From a mighty African elephant to the tiny field mouse, every image here will encourage beautiful new interpretations.

Worlds Within Worlds

Fans of adult coloring books will love the intricate, imaginative illustrations of Kerby Rosanes, the artist behind the Sketchy Stories blog. The fantastically detailed style fans have come to know and love through his previous New York Times bestselling coloring books--Animorphia and Imagimorphia--is back, and just as awesomely-complex as before. Dragons, unicorns, griffins and other mythical creatures morph and explode into astounding detail. Bring each imagination-bending image to life with color and find the objects hidden throughout the book.

Are you ready to nourish your inner artist? Have fun and relax during your free time while taking your coloring to another level with this new and exciting Ruby Charm Colors Adult Coloring Art Journal designed especially for pencil-loving colorists! Have you ever been nervous about starting a new coloring page? Afraid to ruin a design before you even begin? This unique art journal filled with distinctive line art gives you the freedom to explore, experiment and test out your ideas on smaller fragments of the art before committing to the larger plates. With a balanced mix of details and open spaces, the illustrations give beginners and more experienced colorists plenty of room to play inside and outside the lines. Once you fill this interactive book with your own notes and colored swatches, it just might become your go-to book when you want to remember how you colored something that turned out really well, or which blending techniques or mix of pencils and colors gave you the results you wanted. It's your book to personalize and store all your treasured coloring ideas. And you can apply your notes from this art journal to coloring pages in other coloring books in your collection, too! This 140 page 8.5 x 11 inch book features: -a velvety, matte black cover with art

colored by the artist and three selected fan colorings on the back cover -22 full illustration plates featuring unique and fanciful line drawings of flora and fauna -Black-backed plates with room to write your name -43 art journal pages featuring places to write, create and track color swatches, and experiment with colors on pieces of art pulled from the plates so you can truly visualize how an idea or palette of colors will work -snippets from the artist about her inspiration for each illustration -17 pages of essential coloring tips handy for beginners but also useful for more experienced colorists to review -2 mandala-style color wheels to fill out using your own pencil brands for better understanding of basic color theory -10 color charts with 65 rectangles for charting out your favorite pencil brand colors -11 note pages -24 thumbnail images of the illustrations included in Volume 2 *** Colored pencils are recommended! *** Not recommended for heavy markers like Copic or Sharpies as bleeding will occur. *** Watercolor pencils and watercolors are fine, though saturating the pages with water are not advised. The artist/author encourages colorists to feel free to make copies of the plates (for personal use only) to experiment with color pallets, try art on different types of paper and card stock with different media (like markers and watercolor), and to keep a clean copy of the illustration in tact for future coloring projects. *** The pages in this book are not perforated, but you may carefully score them with a ruler and blade for removal. Please visit my Author page for more photos of the book's interior, thumbnails of the 22 illustrations in Volume 1, and several videos of the cover art coloring. PRAISE FOR THE BOOK: Previously RubyCharmColors' collection of line art

was only to be found as PDF downloads on Etsy and it is now with great joy that we see vol 1 of what I can only hope to be an ever-growing collection. It is a colouring book with a difference though, as it is also a journal for your colouring journey, it contains tips and ticks and also colouring charts and wheels to help you along the way. The paper has pretty good tooth and holds up well to the rigours of blending and burnishing. With 22 beautifully illustrated plates and space to make notes about your technique and colour choice as well as an introduction to each piece of line art this book is a must for all adult colouring enthusiasts. -- Lucia, adult colorist

Not sure how to start your drawing of a flamingo or a flying squirrel? Businessman? Bat? Baobab tree? How to Draw Almost Everything is here to help! With over 2,000 images, this visual reference book offers instructions for drawing animals, people, plants, food, everyday objects, buildings, vehicles, clothing, and more. The section on people gives simple tricks for showing emotion (angry, surprised) and action (skipping, doing a handstand). There's also a section on clothing that shows how to draw coats and jackets, shoes and boots, bell-bottoms and skinny jeans. From

tricycles to tanker trucks, the book gives tips on drawing all kinds of moving vehicles. At the end of each chapter, author and artist Chika Miyata challenges you to synthesize what you've learned and create a scene. At the end of the chapter on animals, the challenge is to draw a zoo. At the end of the chapter on food, the challenge is to keep an illustrated food journal. Each entry is broken down with step-by-step illustrations, making this book perfect for beginners or experienced artists in need of a quick refresher and a great resource for those who want to express themselves through illustration or cartooning.
