Physical Examination & Health Assessment

Healthcare is evolving at an incredible pace and with it, the roles and responsibilities of the medical-surgical nurse. Ensure you are fully equipped to thrive and adapt in this ever-changing nursing environment with Ignatavicius, Workman, and Rebar's Medical-Surgical Nursing: Concepts for Interprofessional Collaborative Care, 9th Edition. This text not only covers all essential adult health knowledge, but also reinforces the application, conceptual thinking, and clinical judgment skills that today's nurses need to stay one step ahead in delivering exceptional patient care, no matter the environment. As with previous editions, you'll find a unique collaborative care approach to adult health nursing, a thorough integration of QSEN competencies, extensive NCLEX® Exam preparation, and a direct, reader-friendly tone throughout the text. This ninth edition incorporates two emerging and complementary trends -- the Core Competencies for Interprofessional Collaborative Practice and a more conceptual approach teaching and learning -- areas that will ground you in how to think like a nurse and how to apply the knowledge you gain from the text to clinical practice.

Introduction to Maternity & Pediatric Nursing - E-Book

Looking for an NCLEX® exam review alternative that is effective, engaging, and (dare we say) fun? Then look no further than RNtertainment! RNtertainment: The NCLEX® Review Game, 2nd Edition is a revolutionary board game that offers a fun and challenging change of pace from standard review options. Perfect for nursing students and practicing nurses looking to sharpen their nursing knowledge, this game offers 800 different clinical questions and scenarios that cover all the major nursing categories on the latest NCLEX® test plan - including Safe and Effective Care Environment, Health Promotion and Maintenance, Psychosocial Integrity, and Physiological Integrity. Test-Taking Tips and Test-Taking Traps are also incorporated into game play to fully prepare you for every facet of the exam process. Whether you want to challenge your friends or challenge yourself, effective exam preparation has never been this entertaining! The aim of the game is to answer nursing questions correctly and navigate through tricky Tips and Traps to be the first to reach NCLEX® exam success. Game play format for 2-6 people gives you the option of creating a competitive group atmosphere with fellow students or colleagues in addition to reviewing on your own. Category cards enable you to review all NCLEX® exam material or narrow your question bank to those categories in which you need the most practice. Hundreds of challenging questions and rationales from student-favorite NCLEX® exam expert Linda Silvestri reflect content on the latest NCLEX® test-plan. 800 questions are divided evenly among

the four major client needs categories found on the NCLEX® exam: Safe and Effective Care Environment, Health Promotion and Maintenance, Psychosocial Integrity, and Physiological Integrity. A variety of question formats and difficulty levels allows you to encounter the wide spectrum of questions you will find on the NCLEX® exam. Rationales help you understand the reasoning or data related to the correct answer for each question. Test-Taking Tip and Traps provide successful test-taking strategies in one category (Flying High) and pitfalls to avoid in another category (Flying Low).

Prioritization, Delegation, & Management of Care for the NCLEX-RN® Exam

The novel coronavirus that causes COVID-19 is now officially a global pandemic with over 130,000 confirmed cases and over 5,000 deaths. Its path is exponential, and panic is being felt around the globe. But the most important thing you can do to combat the virus is to understand how it works, how it spreads, and to STAY INFORMED. What Does This Coronavirus Outbreak Guide Contain? In-depth history of the virus since its inception Scientific explanation of what coronavirus is and how it works Actionable advice on how to stop the novel coronavirus from spreading Specific tips for employers, employers, and those who must travel during the outbreak Updated statistics on symptoms, treatment, and global

survival rates. This 2019-2020 Coronavirus Outbreak Guide is from the CDC Website. Learn the truth about how this virus works. And whatever you do, don't forget to wash your hands.

Coronavirus

A unique review reference featuring nearly 1,000 multiple choice questions. Each question focuses on a key concept or anesthesia problem encountered in daily practice. Answers, explanations, case analyses and references follow, making the information relevant to patient care and standard procedures.

Fundamentals Success

Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing

Access Free Free Saunders Nclex Rn 6th Edition

concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. NEW! Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. NEW! Priority Concepts added to

Access Free Free Saunders Nclex Rn 6th Edition

the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each chapter.

NCLEX-RN Drug Guide: 300 Medications You Need to Know for the Exam

Leadership and Nursing Care Management - E-Book

Lippincott NCLEX-RN Alternate-Format Questions, 7th edition is designed to help anyone preparing to take the RN licensing examination. This updated 7th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking

strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. An accompanying PassPoint trial provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience.

HESI Comprehensive Review for the NCLEX-RN Examination

This book and companion CD offer 500 questions to help readers practice the skills they are learning and gain realistic test-taking experience for the NCLEX examination. Key topics are covered including tips to help readers tackle any nursing test.

Medical-Surgical Nursing

The quick and easy way to master health assessments and use your knowledge in real-world situations If you're looking for a fun, fast review that boils health assessment down to its most essential, must-know points, your search ends here!

Health Assessment Demystified is a complete yet concise overview of the basics of performing quality patient assessments. This guide arms you with the knowledge to help your patients as a student and as a nurse once you start your career. You will learn how to document medical history, examine patients, and work with other healthcare personnel to determine the best course of action. Studying is easy and effective with key objectives, important terms, brief overviews, tables and diagrams, and NCLEX-style questions throughout the book. At the end is a comprehensive final exam that covers all the content found in Health Assessment Demystified. This fast and easy guide offers:

- Learning objectives at the beginning of each chapter
- Coverage of essential assessment techniques
- A final exam at the end of the book
- A time-saving approach to performing better on an exam or at work
- Simple enough for a beginner, but challenging enough for an advanced student.

Health Assessment DeMYSTiFieD is your shortcut to mastering this essential nursing topic.

Nursing: Concepts & Practice, 2nd Edition provides the solid foundation you need to pass the NCLEX Examination and succeed as a new nurse. It builds on the fundamentals of nursing and covers roles, settings, health care trends, all body systems and their disorders, emergency and disaster management, and mental health nursing. Written by noted authors Susan deWit and Candice Kumagai, Medical-Surgical Nursing reflects current national LPN/LVN standards with its emphasis on safety as well as complementary and alternative therapies. UNIQUE! LPN Threads share learning features with Elsevier's other LPN textbooks, providing a consistency across the Elsevier LPN curriculum. Key Terms include phonetic pronunciations and text page references. Key Points are located at the end of chapters and summarize chapter highlights. Overview of Anatomy and Physiology at the beginning of each body system chapter provides basic information for understanding the body system and its disorders. Nursing Process provides a consistent framework for disorders chapters. Evidence-Based Practice is highlighted with special icons indicating current research. Assignment Considerations boxes address situations in which the charge nurse delegates to the LPN/LVN or the LPN/LVN assigns tasks to unlicensed assistive personnel. Focused Assessment boxes include information on history taking and psychosocial assessment, physical assessment, and guidance on how to collect data/information for specific disorders. Elder Care Points boxes address the unique medical-surgical care issues that affect older adults. Legal and Ethical Considerations boxes focus on specific disorder-related issues. Safety Alert boxes highlight specific dangers to

patients related to medications and clinical care. Clinical Cues provide guidance and advice related to the application of nursing care. Think Critically About boxes encourage you to synthesize information and apply concepts beyond the scope of the chapter. Concept Maps in the disorders chapters help you visualize difficult material and illustrate how a disorder's multiple symptoms, treatments, and side effects relate to each other. Health Promotion boxes address wellness and disease prevention, including diet, infection control, and more. Complementary and Alternative Therapies boxes offer information on how nontraditional treatments for medical-surgical conditions may be used to complement traditional treatment. Cultural Considerations promote understanding and sensitivity to various ethnic groups. Nutrition Considerations address the need for holistic care and reflect the increased focus on nutrition in the NCLEX Examination. Patient Teaching boxes provide step-by-step instructions and guidelines for post-hospital care. Home Care Considerations boxes focus on post-discharge adaptations of medical-surgical nursing care to the home environment. Mental Health Nursing unit includes information on disorders of anxiety and mood, eating disorders, cognitive disorders, thought and personality disorders, and substance abuse. Disaster Management content includes material focusing on preparation and mitigation to avoid losses and reduce the risk of injury associated with both natural and bioterrorist disasters. Nursing Care Plans with Critical Thinking Questions show how a care plan is developed and how to evaluate care of a patient. Review questions for the NCLEX-PN Examination at the end of each chapter include alternate-item

format questions and help prepare you for class tests and the NCLEX exam. Critical Thinking Activities at the end of chapters include clinical situations and relevant questions, allowing you to hone your critical thinking skills. UNIQUE! Best Practices are highlighted to show the latest evidence-based research related to interventions. Online resources listed at the end of each chapter promote comprehensive patient care based on current national standards and evidence-based practices. UNIQUE! Icons in page margins point to related animations, video clips, additional content, and related resources on the Evolve site.

NCLEX-RN Questions & Answers Made Incredibly Easy!

Part of the popular LPN Threads series, Introduction to Maternity & Pediatric Nursing provides a solid foundation in obstetrics and pediatric nursing. An easy-to-follow organization by developmental stages, discussion of disorders by body system from simple-to-complex and health-to-illness, and a focus on family health make it a complete guide to caring for maternity and pediatric patients. Written in a clear, concise style by Gloria Leifer, MA, RN, this edition reflects the current NCLEX® test plan with additional material on safety, health promotion, nutrition, and related psychosocial care. Cultural Considerations boxes and a Cultural Assessment Data Collection Tool help in developing individualized plans of care. Updated health promotion content includes Health Promotion boxes focusing on preventive strategies for achieving prenatal wellness, health during pregnancy, postnatal health, and pediatric illness prevention and wellness -- including the complete immunization schedules for all ages. Nursing Tips provide information applying to the clinical setting. Objectives are listed in each chapter opener. Key terms include phonetic pronunciations and text page references at the beginning of each chapter. Nursing Care Plans with critical thinking questions help you understand how a care plan is developed, how to evaluate care of a patient, and how to apply critical thinking skills. A companion Evolve website includes animations, videos, answers to review questions and answer guidelines for critical thinking questions, an English/Spanish audio glossary, critical thinking case

studies, and additional review questions for the NCLEX examination.

HESI Comprehensive Review for the NCLEX-RN Examination

With essential information on more than 1,000 generic and 4,000 trade name drugs, Saunders Nursing Drug Handbook 2019 is the go-to guide for students and nurses alike. The 2019 edition is organized alphabetically by generic drug name for quick and easy access and includes over 270 updates to Black Box Alerts. This user-friendly format also includes comprehensive coverage of IV drug administration, nursing considerations, and fixed combinations. To promote better patient care, it uniquely guides you through clinical priorities in the practice setting and is organized alphabetically by generic drug name for quick reference. Plus, new drug monographs cover approximately 33 newly approved drugs by the FDA; and thoroughly updated monographs include new interactions, precautions, and alerts. Over 1,000 generic name drugs (encompassing over 4,000 trade name drugs) are organized alphabetically with A to Z tabs to make accessing important information quick and easy. Detailed information for each drug distinguishes side effects and adverse reactions to help you identify which are most likely to occur. Special text treatment for high-alert drugs that pose the greatest risk for patient harm, as well as an appendix for drug names that sound alike and look alike, help promote safe drug administration. UNIQUE! Frequently-used herb monographs and herb interactions keep you informed of the effects of commonly encountered

herbs. Classifications section features an overview of actions and uses for drug families. Top 100 Drugs list helps you easily identify the most frequently administered drugs. Nursing implications are organized in a functional nursing process framework and include headings for Baseline Assessment, Intervention/Evaluation, and Patient/Family Teaching. Information on lifespan and disorder-related dosage variations equips you with special considerations for pediatric, geriatric, hepatic, and immune- or renal-compromised patients. Extensively expanded IV content features a heading for IV compatibilities and expanded rates of infusion, reconstitutions, drip rates, test doses, flushing, and incompatibilities. Fixed combinations are included in dosages of each combined drug directly within the individual monographs to help you understand different drug dose options for specific diseases. Cross-references to the 400 top U.S. brand-name drugs are located directly in the main section of the book for easier accessibility. Customizable and printable monographs for 100 of the most commonly used drugs and quarterly drug updates are located on the free Evolve companion site. Therapeutic and toxic blood level information shows you the patient implications for drug administration. Comprehensive IV Compatibility Chart foldout arms you with compatibility information for 65 intravenous drugs. Newly approved drugs are listed in the front of the book for quick and easy access to this timely information. A sample drug monograph with callouts helps you understand how to use the book more efficiently.

Pharm Phlash!

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. The NCLEX-RN Practice Questions Exam Cram , Fifth Edition provides 1250 questions for the nursing student who wants to be better prepared for the exam. Updated to provide more relevant and challenging questions matching NCLEX adjustments made in 2015, this fifth edition improves upon the prior editions that have served as one of the most popular late-stage study tools for Nursing candidates. Anxiety about the exam is high among nursing students and results from the focus group say 'the more practice questions to study, the better'! The Exam Cram questions cover every topic the student will encounter on the real exam including more "new format" interactive questions. The Exam Cram gives the student as much experience with the real exam as possible. The NCLEX-PN Practice Questions Exam Cram , Fifth Edition offers a cram sheet for last minute study as well as the CD testing engine for that testing experience, a proven combination for exam success!

Medical-Surgical Nursing

Prepare for a successful career in caring for geriatric populations! Williams' Basic Geriatric Nursing, 7th edition is an easy-to-read text which presents the theories and concepts of aging along with appropriate nursing interventions. This comprehensive book helps you understand the unique physiologic and psychosocial changes that affect the elderly adult. Threaded throughout this new edition are practical QSEN boxes and Nurse Alert features, which highlight safety, cultural considerations, health promotion, coordinated care, and home care specific to elderly patients. In addition, an online Study Guide, NCLEX®-PN review questions, and real-world clinical situation boxes help you to study for exams and apply concepts to practice. Coordinated Care boxes address such topics as restraints, elder abuse, and end-of-life care as related to responsibilities of nursing assistants and other health care workers who are supervised by LPN/LVNs. Clinical Situation boxes present patient scenarios with lessons for appropriate nursing care and patient sensitivity. UNIQUE! A FREE Study Guide, presented in a comprehensive PDF format on Evolve, reinforces your understanding. 10th grade reading level makes learning easier for you. Nursing Care Plans include Critical Thinking boxes to help you to assimilate and synthesize information. Nursing Process sections provide a framework for the discussion of the nursing care of the

Access Free Free Saunders Nclex Rn 6th Edition

elderly patient as related to specific disorders. Cultural Considerations throughout text cover biocultural variations as well as health promotion for specific ethnic groups so you can provide culturally competent care. Health Promotion and Patient Teaching boxes highlight health promotion, disease prevention, and age-specific interventions. Home Health Considerations boxes provide information on home health care for the older adult. NEW! QSEN boxes provide you with the knowledge, skills, and attitudes necessary to continuously improve the quality and safety of care of the older adult. NEW! Nurse Alert feature emphasizes important safety and health promotion content specific to the elderly patient. NEW! Updated and expanded art program makes learning the material easier through clear and timely photographs and illustrations.

The Comprehensive NCLEX-RN Review 19th Edition

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.

NCLEX-RN Practice Questions Exam Cram

NCLEX-RN QUESTIONS & ANSWERS MADE INCREDIBLY EASY!, 7E is designed to help pre-licensure nursing students prepare for the licensing examination. This book and its accompanying electronic resources feature thousands of questions at the application level or above to prompt active learning and higher-order thinking. The book's seven parts cover the basics of NCLEX test construction and how students should prepare, the four major content areas of pre-licensure programs (medical-surgical, psychiatric/mental health, maternity, and pediatrics), a section on issues in nursing, and three comprehensive tests of varying lengths that help simulate the actual NCLEX experience. The questions align with the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan. Throughout the book, the Made Incredibly Easy design, art, and captions help to engage students and present a fun, relaxed, encouraging, and supportive learning experience. Other features include the use of all the types of alternate-format questions and detailed rationale for both correct and incorrect answers.

Saunders Comprehensive Review for the NCLEX-PN® Examination - E-Book

Master the critical-thinking and test-taking skills you need to excel on the prioritization, delegation, and management questions on the NCLEX-RN®. Three sections provide you with three great ways to study. In the first section, you'll find individual and multiple client care-focused scenario questions organized by disease process with rationales and test-taking hints. The second section features seven clinical case scenarios with open-ended, NCLEX-style questions. The third section is a comprehensive, 100-question exam.

Saunders Qamp;A Review Cards for the NCLEX-PN Examination

A pocket-sized manual for preparing nursing students for the medications questions asked on the NCLEX-RN. Nursing students are more concerned about medications than about any other subject on the NCLEX, and this book provides the answers. Organized by drug class, this valuable guide lists over 300 drugs that

you students may be asked about on the NCLEX. Each drug comes with detailed information on its side effects and nursing considerations. Best of all, it addresses those aspects of medications that are specifically emphasized noted on the NCLEX test plan.

Hesi/Saunders Online Review for the NCLEX-RN Examination (1 Year)

CliffsNotes NCLEX Cram Plan is the perfect way to review for your RN or PN nursing exam whether you have two months, one month, or even one week left to prepare! CliffsNotes NCLEX-RN Cram Plan uses calendars to create a specific study plan for test-takers depending on how much time they have left before they take the test. Also included is a specialized NCLEX-PN study plan, meaning that NCLEX-PN test-takers can use this book to pass their nursing exam, too! The NCLEX-RN test is taken by individuals who want to become a registered nurse; the NCLEX-PN test is taken by those who want to become a practical nurse. Features of this plan-to-ace-the-test product include: Timed, boxed calendars for preparing to take the test—2-month study calendar, 1-month study calendar, and 1-week study calendar Diagnostic test that helps test-takers pinpoint strengths and weaknesses so they can focus their review on topics in which they need the most help Subject reviews that succinctly cover need-to-know topics on the tests in a list format Model

practice test with answers and explanations Administered by appointment year round, more than 230,000 candidates take the NCLEX-RN test annually, and almost 65,000 candidates take the NCLEX-PN. The average passing rate for each test is only 70%.

Illustrated Study Guide for the NCLEX-RN® Exam E-Book

An easy-to-read text focusing on all areas of nursing to aid in successful preparation for the NCLEX-RN. A unique feature of this book is the test-taking strategies included in each chapter. Additionally, students will find content review, practice tests at the end of each chapter with answers and rationales for right and wrong answers and a free CD-ROM that includes the 2,700 practice questions from the text plus 600 additional practice questions.

Saunders Canadian Comprehensive Review for the NCLEX-RN

Mosby's Guide to Nursing Diagnosis

Now there's a Canadian edition of the book that is often called the 'the best NCLEX(R) exam review book ever! Saunders Canadian Comprehensive Review for the NCLEX-RN(R) Examination provides everything your students need to prepare for the NCLEX exam -- complete content review and over 5,100 NCLEX examination-style questions in the book and online. This is the first edition to put the NCLEX-RN(R) exam in a Canadian context. An Evolve companion website includes instructor resources that make it easy to integrate this book into any course, along with detailed feedback and assessment for your students' work. Don't make the mistake of assuming the quality of the questions is the same in all NCLEX exam review books, because only this book includes the kind of questions that consistently test the critical thinking skills necessary to pass today's NCLEX exam. Even better, all answers include detailed rationales to help students learn from their answer choices, as well as test-taking strategies with tips on how to best approach each question. Written by the most trusted name in NCLEX review, Linda Anne Silvestri, and featuring special resources to help Canadian students succeed, this is THE book of choice for NCLEX preparation. Read any customer review or ask

your colleagues to see why there's nothing else like it!

Med-Surg Success

Uniquely organized around the AONE competencies, this trusted resource gives you an easy-to-understand, in-depth look at today's most prevalent nursing leadership and management topics. Coverage features the most up-to-date, research-based blend of practice and theory related to topics such as: the nursing professional's role in law and ethics, staffing and scheduling, delegation, cultural considerations, care management, human resources, outcomes management, safe work environments, preventing employee injury, and time and stress management. UNIQUE! Chapters divided according to AONE competencies for nurse leaders, managers, and executives. Research Notes in each chapter summarize relevant nursing leadership and management studies and highlight practical applications of research findings. Case Studies at the end of each chapter present real-world leadership and management situations and illustrate how key concepts can be applied to actual practice. Critical Thinking Questions at the end of each chapter present clinical situations followed by critical thinking questions to help you reflect on chapter content, critically analyze the information, and apply it to the situation. NEW! Full-color design makes content more vivid and realistic. NEW! Chapter on Communication and Care Coordination covers these integral topics. NEW! Updates to critical thinking exercises, case studies, research notes,

and references offer the most current information. NEW! Updated sections on Current Issues and Trends reflect the latest topics in the field. NEW! Relevant Web Sites boxes provide authoritative resources for additional research.

Study Guide for Introduction to Medical-Surgical Nursing

Rev. ed. of: Evolve Reach comprehensive review for the NCLEX-RN examination / HESI; editors Donna Boyd [et al.]. 2nd ed. c2008.

NCLEX-RN Review

A classic resource that has helped nurses pass the NCLEX exam for over 60 years, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. A companion CD enhances your NCLEX review by allowing you to customize quizzes and exams and download audio review summaries of key

content. Over 4,200 practice questions in the book and on the companion CD provide ample practice opportunities in both print and electronic testing formats. Review questions are grouped by categories of concern to focus your study on any areas of weakness. Detailed rationales for correct and incorrect answers are provided with every question. Text references are provided with the answer rationales for further study of difficult topics. Two comprehensive exams are coded by clinical area, client need, nursing process, and cognitive level, to help you evaluate your strengths and weaknesses. An overview of the latest NCLEX-RN test plan describes the recent changes and additions to content. Companion CD allows you to create customized quizzes and exams based on clinical area, NCLEX client needs category, nursing process, and cognitive level.
