The Sacrifice (An Enemy Novel)

Riley Carter's never found anyone who could live up to her first love, Thorsen Black. So imagine her surprise when, twelve years later, he shows up at the unique and quirky inn she manages on Mermaid Isle, off the coast of Maine. The sweet, gangly teen has matured into a sexy and handsome man, leaving her heart desperate to pick up where they left off. It's impossible for her to ignore the way her body instantly reacts to his touch and he's just the distraction she needs when she finds out the owners of the Siren Song Inn are selling it to Holt Enterprises. Holt only has eyes on the bottom line and Riley knows they'll strip the inn of everything that makes it special, ruining not only the Siren, but devastating the island economy. While fighting to save her beloved inn, Riley falls in love with Thorsen all over again. But when she's faced with the real reason Thorsen's on the island and his unbearable betrayal, will she be able to save the inn and her chance at true happiness?

"'I hated being pregnant with you. I used to cry the whole day. I hated carrying you in my stomach.' Thuli Nhlapo grew up constantly hearing these words from her mother. She was seven years old when she realised that no one called her by name. Known as "Yellow" she was bullied at home and at school. Fearing that she had a terrible disease, she withdrew into herself. Years later, Thuli is still haunted by her childhood experiences. She confronts her mother about her real father and real surname. Getting no answers, Thuli embarks on years of searching for the truth. In the process, she uncovers unsettling family secrets that irrevocably change all their lives." --Back cover.

Nuwe Afrikaans Sonder Grense

A new edition updated to meet the needs of the Pure Mathematics encountered in all the new specifications for single-subject A Level Mathematics. This major text is clearly set out with an excellent combination of clear examples and explanations, and plenty of practice material - ideal for supporting students who are working alone. The first two chapters are vital in preparing new students, particularly those with a Grade C at GCSE, for the rigours of A Level. Each chapter concludes with a selection of exam-style questions, giving students lots of practice for the real thing!

Gevaarlike Iopies (CAPS)

An award-winning play about the relationship between brothers. Nothing but the Truth is the story of two brothers, of sibling rivalry, of exile, of memory and reconciliation, and the ambiguities of freedom. The play was John Kani's debut as sole playwright and was first performed in the Market Theatre in Johannesburg. It won the 2003 Fleur du Cap Award for best actor and best new South African play. In the same year Kani was also awarded a special Obie award for his extraordinary contribution to theatre in the USA.

Introducing Pure Mathematics

The Sacrifice picks up after Small Sam and The Kid arrive at the Tower of London at the end of The Dead. Though Sam finds safety and friendship at the Tower with Jordan Hordern's crew, he can't settle down. The only thing he wants is to be reunited with his sister, Ella. Despite Ed's protests, Sam and the Kid strike out westward, through the no-go zone. Meanwhile, Shadowman is tracking Saint George across north London, watching him build up his army. Shadowman knows that Saint George is an extremely dangerous threat, but no one will take his warnings seriously. Some answers to the questions we've been wondering about--What is the Disease? Where did it come from? Is there a cure?--are

A child wanders too far into the Knysna Forest he never returns. Nine years later government officials working on a census find a white child living with a Coloured family in the mountains beyond the forest. They take him away from the stricken Fiela, who has brought him up as her son, and give him back to his 'original' family. Stunned and helpless, Benjamin waits for Fiela to reclaim him. But, powerless against authority, Fiela never comes. Benjamin has to grow up before he can go in search of the truth

“Wheel books” were once found in the uniform pockets of virtually all junior officers and many senior petty officers. Each small notebook was unique to the Sailor carrying it, but all had in common a collection of data and wisdom that the individual deemed useful in the effective execution of his or her duties. Often used as a substitute for experience among neophytes and as a portable library of reference information for more experienced personnel, those weathered pages contained everything from the time of the next tide, to leadership hints from a respected chief petty officer, to the color coding of the phone-and-distance line used in underway replenishments. In that same tradition, the Naval Institute has created and aptly named the Wheel Book series, portable libraries culled from USNI’s vast array of information that has accumulated for more than a century. Articles from the Institute’s flagship publication Proceedings are combined with selections from USNI’s oral history program and from Naval Institute Press books to create unique guides on a wide array of relevant professional subjects. Just as the

“wheel books” of yesterday served the fleet well, the Naval Institute Wheel Books of today provide supplemental information, pragmatic advice, and cogent analysis on topics important to modern naval professionals. The pinnacle of leadership in a military organization is command. Article 0801 of Navy Regulations defines both the authority and the responsibility of command as “absolute.” This Naval Institute Wheel Book provides practical guidance and food for thought that actual and would-be commanders can use to carry out that absolute authority while being absolutely responsible. Included in this specially-selected collection is the sage advice of those who have commanded as well as the expectations of those who are commanded. Aspirants as well as practitioners will do well to exploit this selected survey of what Fleet Admiral Chester Nimitz described as the “one purpose” for entering the Navy.
