History of the Decline and Fall of the Roman Empire
Volume 12 By Edward Gibbon In this volume of
Gibbon's history we cover the The Crusades; Partition
of the Empire by the French and Venetians; Greek
Emperors of Nice and Constantinople; CIVIL Wars and
the Ruin of the Greek Empire; Moguls, Ottoman Turks;
Elevation of Timour or Tamerlane, and His Death;
Union of the Greek and Latin Churches; Schism of the
Greeks and Latins; Reign of Mahomet the Second,
Extinction of Eastern Empire; State of Rome From the
Twelfth Century; Final Settlement of the Ecclesiastical
State; Prospect of the Ruins of Rome in the Fifteenth
Century. They take as their material the behavior and
decisions that led to the decay and eventual fall of
the Roman Empire in the East and West, offering an
explanation for why the Roman Empire fell. This work
stands as a major literary achievement of the 18th
century because it was adopted as a model for the
methodologies of modern historians. This led to
Gibbon being called the first modern historian of
Ancient Rome. We are delighted to publish this classic
book as part of our extensive Classic Library
collection. Many of the books in our collection have

been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

[] it didn't matter, because one word, "sure" in the context of motorcycle ownership, gave Pete permission to buy one. All he had to do now was earn the money. [] When Ms. Strickland answered the door she looked at the stoop and noticed that it had been shoveled. Since they were both holding shovels, the first thing she said in a rhetorical tone was "Did you guys do that? Thank you!" Before they could get a word out, she continued with "I guess you are here to shovel my drive! Or did you do that too and now you want your money?" Without missing a beat, Mel replied, "Yup! Twenty bucks!" In a scolding almost frantic tone she replied with, "Well I'm not paying. I have the lawn service under contract. Not very smart business boys. You can't just ask people to pay for a

service they didn't request!" Pete just stood there in shock when Mel said, "OK, we'll put it back." She paused for a moment with a look of horror on her face until she realized Mel was joking and started laughing. She said "I'm sorry boys, but I'm already committed." Mel replied, "That's OK, we understand." As they were walking toward the next house, they heard Ms. Strickland's door open and she started yelling, "Boys!? Boys!? Wait!" Mel and Pete exchanged glances wondering what now? "Come back! I changed my mind! You can shovel my drive!" Pete jokingly said to Mel, "It looks like we're both gonna make \$20 on this drive since our price just doubled!"
