MCDOUGAL LITTELL MIDDLE SCHOOL MATH.

"This course will help you: learn all the important middle grades mathematics concepts and skills that prepare you for high school and beyond; develop the reasoning, problem solving, and communication skills that enable you to apply mathematics to real-life activities; [and] value mathematics and become confident in using it to make decisions in daily life You will be learning through thematic modules that connect mathematical concepts to real-world applications. The lessons in this course will get you actively involved in exploring, modeling, and communicating mathematics using a variety of tools, including technology when appropriate. The variety of types of practice and assessment will help reinforce and extend your understanding. You will learn to assess your own progress along the way."--Welcome.
