### **Microeconomics + Study Guide**

### **Principles of Microeconomics 2e**

Written by David Colander, Jenifer Gamber, and Douglas Copeland, the 6th Edition Study Guide combines the best of the previous edition's workbook and study guide. It is designed for courses that emphasize basic knowledge of text material. A preface helps students prepare effectively for exams using the text, lecture notes, and the study guide. For each text chapter, this comprehensive learning resource includes Chapter at a Glance, Matching Terms and Concepts, Problems and Exercises, and Short Answer and Multiple Choice Questions with Answers to reinforce both text content and classroom lectures. Five pre-tests test knowledge of groups of related chapters.

### **Microeconomics**

Revised edition of the authors' Microeconomics, c2013.

### **Intermediate Microeconomics with Calculus: A Modern Approach**

The excitement of learning economics for the first time. The experience of a lifetime of teaching it. The Eighth Edition of Exploring Microeconomics captures the excitement of learning microeconomics for the first time through a lively and encouraging narrative that connects microeconomics to the world in a way that is familiar to readers. Author Robert L. Sexton draws on over 25 years of teaching experience to capture readers' attention, focusing on core concepts and expertly weaving in examples from current events and popular culture to make even classic economic principles modern and relatable. The text sticks to the basics and applies a thoughtful learning design, segmenting its presentation into brief, visually appealing, self-contained sections that are easier for readers to digest and retain compared to sprawling text. Thoughtfully placed section quizzes, interactive summaries, and problem sets help readers check their comprehension at regular intervals and develop the critical thinking skills that will allow them to "think like economists." Exploring Microeconomics will ignite readers' passion for the field and reveal its practical application in the world around them.

### **Exploring Macroeconomics**

EXPLORING ECONOMICS, Fifth Edition, is not a traditional encyclopedic text filled with technical details. Rather, it is an engaging, modern, back-to-basics book designed to promote economic literacy and help students appreciate how economics affects their everyday lives. This reader-friendly text includes innovative learning tools, a visually appealing design, and captivating content to encourage students to read the chapters eagerly and help them master the material more easily. In addition, a comprehensive study guide included with every copy helps students reinforce their learning and better prepare for course assignments and exams. Packed with examples from current events and pop culture, EXPLORING ECONOMICS succeeds like no other text in making economics less intimidating and achieving the author's primary goal: conveying the real-world relevance of economics and inspiring in students the same excitement he felt when taking his first economics class.
