How to Draw Dinosaurs

In this new single-subject Weird But True book, you'll have a blast learning that there's a lot of substance - and weirdness - in every president's past. What's so weird about U.S. presidents? Plenty! Did you know that Abraham Lincoln was a great wrestler? That Ulysses S. Grant got a speeding ticket riding his horse - twice! Or that Benjamin Harrison was afraid of electricity? And let's not forget that President McKinley had a pet parrot that whistled "Yankee Doodle Dandy" duets with him!

Have Fun with the Presidents

A fresh, fun, and "thought-provoking" New York Times bestseller about the American electoral college and why every vote counts from bestselling and award-winning duo Kelly DiPucchio and LeUyen Pham. "Where are the girls?" When Grace's teacher reveals that the United States has never had a female president, Grace decides she wants to be the nation's first and immediately jumpstarts her political career by running in her school's mock election! The race is tougher than she expected: her popular opponent declares that he's the "best man for the job" and seems to have captured the votes of all of the class's boys. But Grace is more determined than ever. Even if she can't be the best man for the job, she can certainly try to be the best person! This timely story not only gives readers a fun introduction to the American electoral system but also teaches the value of hard work, courage, independent thought -- and offers an inspiring example of how to choose our leaders.

Bush hated broccoli so much he had it banned from the White House kitchen And much more!

American Presidents Coloring Book

The White House for Kids provides an intriguing, in-depth history of the White House and its role as a home, an office, and a powerful symbol of the United States, making it a unique resource for kids visiting Washington D.C. with their family or class and those studying American history, presidential history, and American government. Through numerous primary sources and kid-friendly anecdotes, the history of the building is detailed including the many renovations and redecorations made over the years, and the daily lives of the White House's inhabitants are illuminated including presidents and their families as well as the enormous staff that makes the White House run smoothly. Kids will learn that George Washington never slept in the White House and Abraham Lincoln never slept in the Lincoln Bedroom; why the Trumans had to move out of the White House for three years during Harry Truman's presidency; which president's daughter held her high school prom in the White House; the evolving layout of floors and rooms including today's, and much more. Crosscurricular activities allow readers to walk in the footsteps of presidents and those around them. Readers can play key passages of "Hail to the Chief" and practice signing a bill the way presidents do, as well as make White House Punch and re-create an aerobic game designed for President Hoover. Katherine House was born in Washington, DC, and grew up in nearby Arlington, Virginia. She is the author of Lighthouses for Kids and has written articles about US and Iowa history for children's magazines including AppleSeeds, Cobblestone, and the Goldfinch.

The 45 Presidents

Living in America's most famous residence might seem glamorous at first--it's the most fun place any kid could live! There's a bowling alley in the basement, chefs are always available to prepare whatever you're craving, and sometimes presidential aides will even help you with your homework! But life isn't always easy for the youngsters who call the White House home. They're always in the spotlight, and those pesky Secret Service agents are always around. For every perk, there's a problem. From Washington to Obama, see the White House through the eyes of the children and grandchildren. Filled with wacky, weird, and wonderful stories, it shows what it's like to call the president Dad (or Granddad or Uncle). Find out what schools they went to, what mischief they caused, and what pets they had. There are first-person accounts from letters and interviews, fascinating photos, original illustrations, and even a section that follows the children after they left the White House.

If I Ran for President

From the duo who created the classroom called "a charmed place" comes a patriotic primer for picture-book readers. Today at school we celebrated Presidents' Day by putting on a play. Mrs. Madoff said I could be George Washington because his birthday is the same as mine. Charlie was Abraham Lincoln because he's the tallest kid in our class. Everyone else had very important parts to play, too. At the end of the day we voted for class president, and you'll never guess who won!

The White House for Kids

Simple, easy-to-follow guide enables even young children to draw 28 dinosaurs in convincing detail: tyrannosaurus rex, dimetrodon, megalosaurus, triceratops, ankylosaurus, archaeopteryx, and other prehistoric creatures. Easy lessons show the basic shapes of the torso, head, and tail, and demonstrate how to add legs and other key features.

The Audacity of Hope

These 45 activities help kids identify Lincoln's birthplace, learn about the Declaration of Independence, and find out about other historical events with crosswords, word searches, follow-the-dots, and other puzzles. Solutions included.

How to Draw the Presidents

Hands-on activities and insightful historical information reveal the fascinating life of Theodore Roosevelt, America's 26th president, who was also well known as a writer, a ranchman, a politician, a soldier, an explorer, and a family man. Combining a rich biography, including information about his childhood, with relevant and engaging projects, this book offers a glimpse at Roosevelt's work and times--how a sickly, undersized boy grew into a physically fit, energetic, and courageous man; how his wealth did not shield him from human tragedy; how as a leader of a young, vigorous nation, he steered a middle course between big business and working-class needs; and how his love of nature led him to protect millions of acres for posterity. Readers will create a Native American toy, explore the effects of erosion, go on a modern big-game hunt with a camera, and make felted teddy bears. The text includes a time line, online resources, and a reading list for further study--making this the ultimate reference on a great American president.

The 50 States: Activity Book

#1 NEW YORK TIMES BESTSELLER • Barack Obama’s lucid vision of America’s place in the world and call for a new kind of politics that builds upon our shared understandings as Americans, based on his years in the Senate “In our lowdown, dispiriting era, Obama’s talent for proposing humane, sensible solutions with uplifting, elegant prose does fill one with hope.”—Michael Kazin, *The Washington Post* In July 2004, four years before his presidency, Barack Obama electrified the Democratic National Convention with an address that spoke to Americans across the political spectrum. One phrase in particular anchored itself in listeners’ minds, a reminder that for all the discord and struggle to be found in our history as a nation, we have always been guided by a dogged optimism in the future, or what Obama called “the audacity of hope.” *The Audacity of Hope* is Barack Obama’s call for a different brand of politics—a politics for those weary of bitter partisanship and alienated by the “endless clash of armies” we see in congress and on the campaign trail; a politics rooted in the faith, inclusiveness, and nobility of spirit at the heart of “our improbable experiment in democracy.” He explores those forces—from the fear of losing to the perpetual need to raise money to the power of the media—that can stifle even the best-intentioned politician. He also writes, with surprising intimacy and self-deprecating humor, about settling in as a senator, seeking to balance the demands of public service and family life, and his own deepening religious commitment. At the heart of this book is Barack Obama’s vision of how we can move beyond our divisions to tackle concrete problems. He examines the growing economic insecurity of American families, the racial and religious tensions within the body politic, and the transnational threats—from terrorism to pandemic—that gather beyond our shores. And he grapples with the role that faith plays in a democracy—where it is vital and where it must never intrude. Underlying his stories is a vigorous search for connection: the foundation for a radically hopeful political consensus. Only by returning to the principles that gave birth to our Constitution, Obama says, can Americans repair a political process that is broken, and restore to working order a government that has fallen dangerously out of touch with millions of ordinary Americans. Those Americans are out there, he writes—“waiting for Republicans and Democrats to catch up with them.”
