History of Science, Technology and Medicine in India: Science in modern India

Vols. for 1923-32 include separately paged sections: "Notes and questions" and "Progress report."

Notices of the American Mathematical Society

The "The Cracker General Awareness (History,Geography,Polity,Economics & Miscellaneous Multiple choice questions Book " covers the new pattern multiple choice questions along with the previous years' questions that are expected to be repeated in the upcoming examinations 2019 like RRB JE, NTPC,RRC Group D SSC JE, SSC CGL and others. In this book, we provide you all with detailed explanations of each and every question of History, Geography, Polity , Economics & Miscellaneous. It will help the students analyze what is being asked in these examinations so that they prepare accordingly.

Salient Features of "The Cracker General Awareness (History, Geography, Polity, Economics & Miscellaneous) Multiple Choice Questions Book":
3500+ Questions of History, Geography, Polity, Economics & Miscellaneous Previous Years' Questions
Detail Explanation of History, Geography, Polity, Economics & Miscellaneous. Based on latest Pattern

Selected Works of Govind Ballabh Pant

This report gives an account of the progress and present status of science in India. Its scope is in the main limited to developments of Indian science in plasma physics and geo-astrophysics. It does not attempt to describe all universities and research institutions in India. It does, however, give a fairly broad cross-section of Indian scientific research in the aforementioned fields. (Author).

Struggle for Independence: Govind Ballabh Pant

The Mathematics Student

Pandit Govind Ballabh Pant was a politician, who among the builders of modern India, possessed a rare and radical personality. This book is not merely a biography, but also an analysis of his regulating actions as well as the constructive interpretation of the national situation.
