Beowulf

The Dating of Beowulf

Andrew Lang's survey of English literature is a remarkably thorough look at the history of English writing, covering authors from Abbot Adamnan to Edward Young, and everyone of note in between.

Barn Burning

Grendel

Beowulf is the oldest and most complete epic poem in any non-Classical European language. Our only manuscript, written in Old English, dates from close to the year 1000. However, the poem remained effectively unknown even to scholars until the year 1815, when it was first published in Copenhagen. This impressive volume selects over one hundred works of critical commentary from the vast body of scholarship on Beowulf - including English translations from German, Danish, Latin and Spanish - from the poem's first mention in 1705 to the Anglophone scholarship of the early twentieth century. Tom Shippey provides both a contextual introduction and a guide to the eighteenth- and nineteenth-century scholarship which generated these Beowulf commentaries. The book is a vital document for the study of one of the major texts of 'the Northern renaissance', in which completely unknown poems and even languages were brought to the attention first of the learned world and then of popular culture. It also acts as a valuable guide to the development of nationalist and racist sentiment, beginning romantically and ending with World War and attempted genocide.

Samurai Rising: The Epic Life of Minamoto Yoshitsune

Readers of "Beowulf" have noted inconsistencies in Beowulf's depiction, as either heroic or reckless. "Heroic Identity in the World of Beowulf" resolves this tension by emphasizing Beowulf's identity as a foreign fighter seeking glory abroad. Such men resemble "wreccan," "exiles" compelled to leave their homelands due to excessive violence. Beowulf may be potentially arrogant, therefore, but he learns prudence. This native wisdom highlights a king's duty to his warband, in expectation of Beowulf's future rule. The dragon fight later raises the same question of incompatible identities, hero versus king. In frequent reference to Greek epic and Icelandic saga, this revisionist approach to "Beowulf" offers new interpretations of flyting rhetoric, the custom of "men dying with their lord," and the poem's digressions.

The Knight's Tale

TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language. The series publishes state-of-the-art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science. TRENDS IN LINGUISTICS considers itself a forum for cutting-edge research based on solid empirical data on language in its various manifestations, including sign languages. It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language. TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes, which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints. High quality standards are ensured through anonymous reviewing.

CliffsNotes Beowulf

A generous, energetic, engaging work will be important to Beowulf study for years to come. THE MEDIEVAL REVIEW

Two Studies on the Ballad Theory of the Beowulf

Dedicated to helping teachers teach the research paper more effectively (as distinguished from the numerous manuals written for students).

Beowulf

Epic poetry at its finest Beowulf is one of the most studied and praised English classic. Originally written over a thousand years ago, the story celebrates Beowulf, a young Swedish nobleman who has battled monsters and dragons to keep his people safe. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with

your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

A Beowulf Handbook

Fred C. Robinson is known throughout the world for some of the most original and stimulating work on Old English literature and language published in recent times. The Tomb of Beowulf collects thirty seven of his essays and three substantial new articles. The book is informed by the author's preoccupation with meaning, context and language and their subtle interactions. Its contents are equally characterized by readability and scholarship, and by learning and wit.

Beowulf

The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also features glossaries and visual elements that complement the classic, familiar format. CliffsNotes on Beowulf takes you into the epic story of warriors and strange beasts. Beowulf is considered to be the longest and greatest surviving Anglo-Saxon poem. Some see it as an early celebration of Christianity. Others think it extols—or perhaps condemns—heroic values. Step into this epic poem and get ready for sword fights, feasts, and treasures. With this study guide, you'll be able to follow all of the action as you consider the artistic impact of the work. You'll also gain insight into the characteristics of the unknown poet and the manuscript itself. Other features that help you study include Character analyses of major players A character map that graphically illustrates the relationships among the characters Critical essays A review section that tests your knowledge A Resource Center full of books, articles, films, and Internet sites Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

School of Arts and Sciences Research Papers

This 1998 book is a clear account of early Germanic alliterative verse and how it was treated by the Beowulf poet.

Research Paper

Of unknown authorship, Beowulf is an Old English epic poem which incites contentious debate and has been endlessly interpreted over the centuries. This Reader's Guide provides a much-needed overview of the large body of Beowulf criticism, moving from eighteenth-century reactions to twenty-first-century responses. Jodi-Ann George: • charts the changes in critical trends and theoretical approaches applied to the poem • includes discussion of J. R. R. Tolkein's pioneering 1936 lecture on Beowulf , and Seamus Heaney's recent translation • analyses Beowulf in popular culture, addressing the poem's life in film versions, graphic novels, music and comics. Clear and engaging, this is an indispensable introductory guide to a widely-studied and enigmatic work which continues to fascinate readers everywhere.

Beowulf

Beowulf

This how-to guide provides step-by-step instructions for building aBeowulf-type computer, including the physical elements that make up aclustered PC computing system, the software required (most of which isfreely available), and insights on how to organize the code to exploitparallelism. Supercomputing research—the goal of which is to make computers that are ever faster and more powerful—has been at the cutting edge of computer technology since the early 1960s. Until recently, research cost in the millions of dollars, and many of the companies that originally made supercomputers are now out of business.The early supercomputers used distributed computing and parallel processing to link processors together in a single machine, often called a mainframe. Exploiting the same technology, researchers are now using off-the-shelf PCs to produce computers with supercomputer performance. It is now possible to make a supercomputer for less than $40,000. Given this new affordability, a number of universities and research laboratories are experimenting with installing such Beowulf-type systems in their facilities.This how-to guide provides step-by-step instructions for building a Beowulf-type computer, including the physical elements that make up a clustered PC computing system, the software required (most of which is freely available), and insights on how to organize the code to exploit parallelism. The book also includes a list of potential pitfalls.

A Critical Companion to Beowulf

Unique and beautiful, Beowulf brings to life a society of violence and honor, fierce

warriors and bloody battles, deadly monsters and famous swords. Written by an unknown poet in about the eighth century, this masterpiece of Anglo-Saxton literature transforms legends, myth, history, and ancient songs into the richly colored tale of the hero Beowulf, the loathsome man-eater Grendel, his vengeful water-hag mother, and a treasure-hoarding dragon. The earliest surviving epic poem in any modern European language. Beowulf is a stirring portrait of a heroic world–somber, vast, and magnificent. From the Paperback edition.

Beowulf

A best-selling translation of the classic epic is complemented by lavish photographs and illustrations of period relics, from Viking warships and chain mail suits to spearheads and a reconstruction of the Great Hall. Original. 30,000 first printing.

Research Papers

Examinations of the date of Beowulf have tremendous significance for Anglo-Saxon culture in general.

Beowulf

Presents the prose translation of the Old English epic that Tolkien created as a young man, along with selections from lectures on the poem he gave later in life and a story and poetry he wrote in the style of folklore on the poem's themes.

Beowulf

A collection of essays which offer various approaches to teaching the epic poem "Beowulf", placing it in historical, political, philosophical, and aesthetical contexts.

Approaches to Teaching Beowulf

Minamoto Yoshitsune should not have been a samurai. But his story is legend in this real-life saga. This epic warrior tale reads like a novel, but this is the true story of the greatest samurai in Japanese history. When Yoshitsune was just a baby, his father went to war with a rival samurai family—and lost. His father was killed, his mother captured, and his surviving half-brother banished. Yoshitsune was sent away to live in a monastery. Skinny, small, and unskilled in the warrior arts, he nevertheless escaped and learned the ways of the samurai. When the time came for the Minamoto clan to rise up against their enemies, Yoshitsune answered the call. His daring feats and impossible bravery earned him immortality.

Teaching the Research Paper

The most revered work composed in Old English, Beowulf is one of the landmarks of European literature. This handbook supplies a wealth of insights into all major aspects of this wondrous poem and its scholarly tradition. Each chapter provides a history of the scholarly interest in a particular topic, a synthesis of present

knowledge and opinion, and an analysis of scholarly work that remains to be done. Written to accommodate the needs of a broad audience, A Beowulf Handbook will be of value to nonspecialists who wish simply to read and enjoy Beowulf and to scholars at work on their own research. In its clear and comprehensive treatment of the poem and its scholarship, this book will prove an indispensable guide to readers and specialists for many years to come.

The Art of Beowulf

An examination of English verse translations of Beowulf, including Seamus Heaney's version alongside other influential renditions.

How to Build a Beowulf

The Metrical Organization of Beowulf

The author traces and evaluates the possible influences of Celtic tradition on the Anglo-Saxon epic poem Beowulf. He discusses theories of the origins of the poem, draws parallels between elements in Beowulf and in Celtic literary tradition, and suggests that the central plot of the poem, the conflict with Grendel and his mother, is "fundamentally indebted to Celtic folktale elements." The study is well documented and rich in references to Celtic literature, legend, and folklore.

As a young, wealthy, and good-looking man, Charlie fit right into the jazz-age scene. But when his easy life comes crashing down with the stock market in 1929, Charlie ends up losing his passionate young wife and his daughter, Honoria. As Charlie sets out to convince his in-laws to return his daughter to his care, he reminisces about the life he lived and the path that led to his current state. "Babylon Revisited" is a semi-autobiographical story based on the period in F.

Scott Fitzgerald's life when his wife, Zelda, was committed to a sanitarium. During that time, Fitzgerald's sister-in-law, blaming him for her sister's state of mind, tried to adopt the couple's daughter. The story was adapted into the 1954 movie The Last Time I Saw Paris starring Elizabeth Taylor and Van Johnson. HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short-stories collection to build your digital library.

Beowulf

A guide to reading "Beowulf" with a critical and appreciative mind. Includes sample tests, term paper suggestions, and a reading list.

Babylon Revisited

A stunning experimental translation of the Old English poem "Beowulf," over 30 decades old and woefully neglected, by the contemporary poet Thomas Meyer, who studied with Robert Kelly at Bard, and emerged from the niche of poets who had been impacted by the brief moment of cross-pollination between U.K. and U.S. experimental poetry in the late 1960s and early 1970s, a movement inspired by Ezra Pound, fueled by interactions among figures like Ed Dorn, J.H. Prynne, and Basil Bunting, and quickly overshadowed by the burgeoning Language Writing movement. Meyer's translation -- completed in 1972 but never before published -- is sure to stretch readers' ideas about what is possible in terms of translating Anglo-Saxon poetry, as well as provide new insights on the poem itself. According to John Ashberry, Meyer's translation of this thousand-year-old poem is a "wonder," and Michael Davidson hails it as a "major accomplishment" and a "vivid" recreation of this ancient poem's "modernity."

Heroic Identity in the World of Beowulf

Beowulf and Old Germanic Metre

Discusses the characters, plot and writing of the epic poem involving the legendary hero Beowulf and his battle with the creature Grendel.

The Tomb of Beowulf

For use in schools and libraries only. The Beowulf story retold from the monster's point of view reveals the darker side of human nature and values.

Beowulf

A study of the oral roots of the Anglo-Saxon poem, Beowulf.
