Unfortunately, the cliffhanger version of the story is the one that was made available online. Your frustrations were completely warranted! We're now happy to announce volume 13 of Mr. Diamonds' adventures. This e-book also contains volume 12 with the correct ending, which is what you should have received from the get go. We deeply regret this mix up and ask you to please forgive our mistake. We hope you'll enjoy this new ending! And to show you just how committed we are to our readers, we're also including the first chapters of my new series, *Dominated by a Billionaire – Irresistible Billionaire*. All my best dear readers,

Obeying my Billionaire (The Complete Series)

Book 1 – *The Billionaire's Desire* (A Dark Billionaire Romance Short Story) He was tall with long, black hair. He wore a suit, and he wore it well – it was tight-fitting and hugged his lithe body. He was talking heatedly with another man in a suit near a door marked “employees only.” As Molly watched he laughed and patted the other man on the shoulder, and then turned and made to walk away – but then he caught her eye. She suppressed a squeal – she didn’t know why, but she would have squealed if she hadn’t made the conscious effort to stop it – and looked away. She was near the eggs now, so she focused on them. She felt more than heard his presence behind her, and her whole body froze. She felt like a shadow had just descended on the entire aisle. Who was this man and why was he standing behind her? She

suppressed the urge to turn around. She didn't know why but the idea of turning around was terrifying to her. Well, she did know why - he was incredibly attractive and he was close to her. She wasn't very good with attractive men. She wasn't very good with men in general. Finally she heard him - heavy breathing, in and out, slow, rugged breaths. Book 2 - The Billionaire's Deal (A Dominant Billionaire Romance Short Story) I love it when the trees are so tall they have grown together above the lane so that I am driving in a tunnel of trees, the light just sparkling through the leaves like shiny copper pennies falling from heaven. Of course, I know Copper Ridge Ranch was named for the natural element once found in its soil, and if anything rains down on Marcus Elliott - it's not copper. It's thousand dollar bills. Do they even make those? If they do, I'm sure Mr. Elliott uses them like tissue paper. I take the corner a little too fast and hear the rattle of the food trays in the back. Great, that's all I need! On the day Marcus welcomes August Kalle into his home, I'm going to show up with a cheesecake covered in road rash! I'm lucky though. Not too much to unload on this trip. I started Carrie's Catering because I liked to cook and I needed a job. Little did I know I'd spend most of my time being a roadie - spending more time loading and unloading the van than mixing, baking or frosting all together. But, Copper Ridge Ranch is my flagstone client. They spend so much money and time on catering Mr. Elliott once asked me to consider moving into a guest house and just living here. Book 3 - The Billionaire's Trust (A Female Billionaire Romance Short Story) An urgent flashing of the house lights beckoned the audience back to their seats for the Second Act.

Vicki had spent the intermission backstage, chatting with two of her favorite singers who would soon grace the stage once more as the booming baritone Magnifico and his daughter Angelina, a dazzling soprano whose career had reached new heights during these ten, high-profile New York performances. Vicki couldn't conceal her delight at the absolutely full house. "I guess the new marketing firm really hit one out of the park," she commented quietly to Martin as the lights dimmed. "All ten performances are sold out!" Her lawyer friend smiled. "It's the inspired leadership they've been getting," he replied. "New blood, new ideas. It's just magnificent." The maestro appeared at the edge of the orchestra pit and received enthusiastic applause. "Although even I would admit that Rossini's genius might have something to do with it," Martin said, raising his voice over the audience's appreciation. "Still, you've broken the glass ceiling yet again, I would say. Bravo, Miss Vydra." "You're too kind," she said, patting his hand as the strings stirred in a quiet but ominous tremolo, quickly ushering in a sudden and violent orchestral tutti, brassy and loud, which filled the huge auditorium with the dark ferocity of the storm it depicted. Vicki let the eruption pass through her, finding herself carried by its torrential force, allowing the moment to fill her with an awed respect for nature's power. She knew that it could not last, and the audience was soon deposited kindly into the peaceful meadow of the storm's passing. Horn calls signaled the all-clear and, as one can always expect from Rossini, the good humor and delicate, social fun-poking resumed. **WARNING:** This collection which contains some very steamy love scenes. Harlequin Desire March 2015 - Box Set 1 of 2

The new generation of Hunter is here! Meet Jonathan Hunter, only son of billionaire CEO Joshua Hunter from the best-selling The Billionaire's Desire series! There's this thing called chemistry, which can't be explained, it's either there or it's not and it can't be denied. For Skylar Miller chemistry was the one thing she didn't consider when she hatched her perfect plan for her freshman year of college: study hard, make new friends and stay away from boys. Still healing from an unforgiveable betrayal, the last thing she needed was to see the gorgeous lead singer of Sonic Blaze belting out lyrics to her from that stage. He was tall, dark and sexy; everything she should run from, but didn't want to. Her world is turned upside down the night of her dorm meeting when she looks up to see the lead singer of the band introducing himself to the room as their Resident Advisor. College senior, Jonathan Hunter, is even more gorgeous than she remembered and he seems to have eyes only for her. When she

finds out he is the son of Joshua Hunter, Billionaire CEO of Hunter International, all of her insecurities rise to the surface. Can a girl from meager means really fit in with such a wealthy family like his? And has Skylar misjudged Jonathan? Torn between his love of music and family business obligations, Jonathan turns to Skylar for comfort. But is she the only one he is turning to? EXCERPT: Under the bright lights of the walking path I could see his eyes light up and then quickly go blank as he saw me. Oh great. I was not in the mood to see him just yet. He walked up beside me and started walking with me without even asking if it was okay. I hated to admit it but I felt safer with him by my side, but I would never let him know that. "I think you're walking with the wrong girl, where is your girlfriend Jonathan?" I cut my eyes sideways at him and saw him set his jaw, clearly annoyed at my question. "It's late and you shouldn't be out here by yourself." His tone was terse as he ground out the words. "I can take care of myself just fine Jonathan Hunter, I don't need you to protect me." I let out a loud huff and sped up trying to get away from him. His stride increased with mine, keeping pace with me, and I couldn't shake him. "I'm sure you can take care of yourself Skylar, but I am not going to let you walk back to the dorm alone at this hour, so just slow down and let me walk with you!" I stopped in my tracks and turned to him, glaring into his eyes. "I do not want to be around you, don't you get it! Now go away and leave me alone!" I spun on my heel and stalked off but Jonathan caught up with me in two seconds and grabbed my arm spinning me around to face him. "I am not going to leave you alone at this hour, that is not going to happen!" He let go of me and ran his

hands through his hair in frustration, looking at me with almost desperate eyes. "I don't know what it is about you, but I can't leave you alone Sky, I just can't." He gathered me in his arms and his lips came crashing down on mine. My knees nearly betrayed me and I began to feel them buckle as I reveled in his kiss. My stomach did somersaults as I decided to follow my heart and not my head. His fingers laced through my hair holding my head so that he could devour me with kisses. His tongue slid over mine and he gently sucked on my bottom lip, teasing my lips with his tongue. I let out a soft moan as my arms crawled up around his neck, pulling him closer, feeling his arousal and pressing my body to his. We stood there, under the bright lights, completely engulfed in each other when we heard footsteps in the distance. It snapped me back to reality and the realization of what had just happened began to sink in. Read the entire series now!
