Descent Into Tartarus

From fast-growing USA Today bestseller Linda Needham, a medieval historical romance between a young maiden and the powerful knight who's taken over guardianship of her castle – and of her.

Angel's Devil

The final book in the wickedly seductive new Scottish historical romance trilogy from New York Times bestselling author Suzanne Enoch, Hit Me With Your Best Scot! The MacTaggart brothers have one task: Find English brides or lose their land! Coll MacTaggart, Viscount Glendarril, is a big, brawny Highlander who doesn't like being told what to do—not even by his exasperated English mother who is determined to see her eldest son wedded and bedded. However, when he comes to the rescue of an irresistibly beautiful woman, Coll discovers that he may have found his perfect match. The challenge isn't that Persephone Jones is famous, wealthy, independent, and smarter than anyone he knows. The problem is that she isn't interested in marrying any man—especially not a hot-headed Scot—even if he is the only man who seems to understand who she really is even when she's not sure herself. When Coll learns that Persephone is actually a lady-in-hiding and someone is willing to kill her for what she stands to inherit. Well, Coll has never been one to turn down a fight. When hearts are involved, nothing comes between a Highlander and his lady.

The Legend of Nimway Hall

#1 New York Times bestselling author Stephanie Laurens concludes the tales of the Cavanaugh siblings with the riveting story of the youngest brother and his search for a family of his own. The scion of a noble house brought low by a storm and the lady who nurses him back to health strive to unravel a web of deception that threatens her family and forces them to fight for what they hold most

dear—family, each other, and love. Lord Godfrey Cavanaugh has no thoughts of marrying as he drives into North Yorkshire on a plum commission for the National Gallery to authenticate a Renaissance painting the gallery wishes to purchase. Then a snow storm sweeps in, and Godfrey barely manages to haul himself, his groom, and his horses to their destination. Elinor Hinckley, eldest daughter of Hinckley Hall, stalwart defender of the family, right arm to her invalid father, and established spinster knows full well how much her family has riding on the sale of the painting and throws herself into nursing the initially delirious gentleman who holds her family's future in his hands. But Godfrey proves to be a far from easy patient. Through Ellie's and her siblings' efforts to keep him entertained and abed, Godfrey grows to know the family, appreciating and, ultimately, being drawn into family life of a sort he's never known. Eventually, to everyone's relief, he recovers sufficiently to assess the painting—only to discover that nothing, but nothing, is as it seems. Someone has plans, someone other than the Hinckleys, but who is pulling the strings is a mystery that Godfrey and Ellie find near-impossible to solve. Every suspect proves to have perfectly understandable, albeit hidden reasons for their behavior, and Godfrey and Ellie remain baffled. Until the villain, panicked by their inquiries, strikes—directly at them—and forces them both to acknowledge what has grown to be the most important thing in their lives. Both are natural defenders of the weak and neither will give up. Together they battle to save not just themselves, not just her family, but their futures. Hers, his, and theirs. A classical historical romance set in North Yorkshire. Fourth and final novel in The Cavanaugh—a full-length historical romance of 90,000 words.

Her Secret Guardian

Before there was a Lady Travelers Society, there was just one lady traveler... Some marry for love. Some marry for money. But Violet Hagen's quick wedding to irresponsible James Branham, heir to the Earl of Ellsworth, was to avoid scandal.

Though her heart was broken when she learned James never wanted marriage or her, Violet found consolation in traveling the world, at his expense—finding adventure and enjoying an unconventional, independent life. And strenuously avoiding her husband. But when James inherits the earldom it comes with a catch—Violet. To receive his legacy he and Violet must live together as husband and wife, convincing society that they are reconciled. It's a preposterous notion, complicated by the fact that Violet is no longer the quiet, meek woman he married. But then he's not the same man either. Chasing Violet across Europe to earn her trust and prove his worth, James realizes with each passing day that a marriage begun in haste may be enjoyed at leisure. And that nothing may be as scandalous—or as perfect—as falling hopelessly in love. Especially with your wife.

Lady Whistledown Strikes Back

From New York Times and USA Today bestselling author, Suzanne Enoch, a new romantic crime thriller featuring fan-favorites Samantha Jellicoe and Rick Addison. A simple pre-wedding getaway for a “reformed” cat burglar and her wealthy British fiancé - what could go wrong? Except for his contentious family, a crumbling Scottish castle, a legendary treasure, and a possible haunting, that is. Samantha Jellicoe, jewel thief extraordinaire, is still adjusting to being engaged to Richard Addison, billionaire entrepreneur and very hot British lord. Complicating that is the entire press corps hounding her for an interview - bad news for a mostly retired cat burglar intent on keeping her private life private. She is ecstatic when Rick suggests they escape to his castle in Scotland; she's less so when the old pile turns out to be dilapidated, full of Rick's resentful relatives, and (possibly) haunted. While he navigates the consequences of ignoring his family for the past fifteen years, Sam uncovers a legend of buried treasure - and realizes she isn't the only one searching for the famous highwayman's loot. While Sam is an expert at blending into the very different worlds of patrons and thieves, meeting people important to Rick is way more complicated. Combined with iffy phones, unreliable lights and power, a clandestine treasure hunt, a wannabe reality-star girlfriend, and a rumored “restless spirit,” this vacation in the Scottish Highlands might be more than a self-respecting former thief can handle. “Fricking vivid as hell, to be honest, and I loved every page of this rollicking ride.”—New York Times bestselling author, Karen Hawkins “Each and every Enoch romance is a sparkling gem brimming over with marvelous characters, depth of emotion, intense sensuality and a plot that twists and turns, leaving readers breathless and deliciously satisfied.”—Romantic Times, 4 1/2 Stars! =brbr“With their indelible chemistry, their witty repartee, and their adventures sleuthing in the glamorous world of Palm Beach glitterati, Samantha and Rick are reminiscent of The Thin Man's Nick and Nora.”—istarred Booklist/ibrbr“. . . grin-on-your-face, hair-streaming-in-the-wind joyride of a novel . . .”—istarred Publisher's Weekly on FLIRTING WITH DANGER/ibrbr“Passion and emotion still run hot with the undeniably dynamic duo of Rick and Sam. Lady Osbaldestone And The Missing Christmas Carols

#1 NYT-bestselling author Stephanie Laurens brings you a tale of unexpected romance that blossoms against the backdrop of dastardly murder. On discovering the lifeless body of an innocent ingénue, a peer attending a country house party joins forces with the lady-amazon sent to fetch the victim safely home in a race to expose the murderer before Stokes, assisted by Barnaby and Penelope, is forced to allow the guests, murderer included, to decamp. Well-born rakehell and head of an ancient family, Alaric, Lord Carradale, has finally acknowledged reality and is preparing to find a bride. But loyalty to his childhood friend, Percy Mandeville, necessitates attending Percy's annual house party, held at neighboring Mandeville Hall. Yet despite deploying his legendary languid charm, by the second evening of the week-long event, Alaric is bored and restless. Escaping from the soirée and the Hall, Alaric decides that as soon as he's free, he'll hie to London and find the mild-mannered, biddable lady he believes will ensure a peaceful life. But the following morning, on walking through the Mandeville Hall shrubbery on his way to join the other guests, he comes upon the corpse of a young lady-guest. Constance Whittaker accepts that no gentleman will ever offer for her—she's too old, too tall, too buxom, too headstrong...too much in myriad ways. Now acting as her grandfather's agent, she arrives at Mandeville Hall to extricate her young cousin, Glynis, who unwisely accepted an invitation to the reputedly licentious house party. But Glynis cannot be found. A search is instituted. Venturing into the shrubbery, Constance discovers an outrageously handsome aristocrat crouched beside Glynis's lifeless form. Unsurprisingly, Constance leaps to the obvious conclusion. Luckily, once the gentleman explains that he'd only just arrived, commonsense reasserts itself. More, as matters unfold and she and Carradale have to battle to get Glynis's death properly investigated, Constance discovers Alaric to be a worthy ally. Yet even after Inspector Stokes of Scotland Yard arrives and takes charge of the case, along with his consultants, the Honorable Barnaby Adair and his wife, Penelope, the murderer's identity remains shrouded in mystery, and learning why Glynis was killed—all in the few days before the house party's guests will insist on leaving—tests the resolve of all concerned. Flung into each other's company, fiercely independent though Constance is, unsusceptible though Alaric is, neither can deny the connection that grows between them. Then Constance vanishes. Can Alaric unearth the one fact that will point to the murderer before the villain rips from the world the lady Alaric now craves for his own? #1 New York Times Bestselling author Victoria Alexander takes us back to Nimway Hall, where magic is as old as time and love is where you least expect it. . . She's given up on love and magic. He's going to change her mind. Alexandra Hayden, the current Guardian of Nimway Hall, is having a very bad day. Well, a very bad year. Or two. Her third fiancé swindled her out of Nimway's reserve funds, she's spent her dowry to help her tenants, and everything on the estate is in need of repair. Even Nimway Hall itself is starting to look a bit shabby. Worse, legendary Nimway magic seems to have vanished. All her fault of course: She simply isn't the guardian she should be. Robert Curtis is one of America's wealthiest young captains of industry. Now he finds he's inherited a title and an estate. But Brynmore Manor is long-abandoned and barely standing. It's not at all what Robert hoped to use for business and family holidays and not remotely what he wanted. What's a rich American viscount to do? Buy the estate next door, of course- Nimway. The last thing Alex needs is an arrogant American neighbor. What she needs is money-and fast. To further his acceptance in London society and his business interests, Robert could use a well-connected wife. A marriage of convenience will benefit them both. But marriage is not at all the practical, sensible arrangement they expected. With their annoying attraction and strangely vivid dreams of each other, this marriage is anything but convenient. And with every passing day, and every sleepless night, the terms they agreed to are less and less important. Still, it's going to take a push from Nimway magic to make them finally realize that love is the greatest enchantment of all.

The Handbook to Handling His Lordship

From USA Today bestselling author Linda Needham, comes a "passionate, heart-wrenching tale of honor and justice, loyalty and betrayal, love and forgiveness" set in England during the politically turbulent and often dangerous 12th Century. An Inconvenient Marriage; an Unexpected Love To honor a deathbed promise to her foster father, Kailey Hewett must marry Simon Rutledge, Henry II's chief justiciar - a darkly forbidding, mystery of a man. As she leaves her home and all she holds dear, Kailey wonders how she can keep her pledge to give this stern man his "heart's peace" - but she vows to create a new family, no matter what it takes. Simon had intended this marriage as private penance for his still-secret role in the long-ago conspiracy against her father that led to the man's execution for treason. But her generous heart draws him into her ad hoc family of endearing misfits and he quickly finds himself yearning for her forgiveness, yet barred by his own harsh code of justice from accepting the love she offers so freely. Kailey's indomitable spirit and her war against injustice exposes a corrupt merchant, a ransom plot and a murderous Templar, finally teaching her stubbornly resistant husband that mercy is as important as justice-and love and forgiveness can heal all.

The Confounding Case of the Carisbrook Emeralds

New York Times bestselling author Suzanne Enoch spins a Regency-era tale at Nimway Hall, in a book series centered on an estate where love and magic entwine to bring romance to all who dwell there. A passionate, determined young lady trying to prove herself worthy of a magic-touched legacy, and a steadfast gentleman looking for his own place in the world join forces to restore an abandoned estate to its former glory. The moment Isabel de Rossi turns eighteen, she takes charge of Nimway Hall, which has stood empty for the past ten years. Well-aware that all her female forebears found true love at Nimway, she can't wait to discover her own destined match. Instead she's faced with Adam Driscoll, the infuriatingly practical estate manager whose presence is a constant reminder that her own grandmother thinks she has no idea what she's doing. Adam thought the recent offer of a position at Nimway Hall a godsend. After spending six years managing his elderly uncle's estate he is facing either a dreary career in the army or the church. At Nimway his feet are on the ground, his hands in the earth, his mind on practical matters. The last complication he needs is a foreign-raised heiress intent on finding a magical orb; but Adam can't help noticing that his strangely derailed repairs are suddenly on track, and that the clever, amusing mistress of the Hall is genuinely interested improving her estate and the lives of her tenants. And he is beginning to find it hard to resist his simmering attraction Isabel though wonders if she isn't worthy of becoming the property's guardian. The famous orb – the artifact reputedly responsible for every love match made at Nimway Hall is nowhere to be found until dreamy Lord Alton arrives and starts to pursue Isabel. The pesky orb suddenly appears, though it seems to have a preference for the strong and loyal Adam. For an unsophisticated young lady, the choice between a charming viscount and an interfering employee should be a

simple one, but magic is a stubborn thing – and the heart is even more headstrong. “Each and every Enoch romance is a sparkling gem brimming over with marvelous characters, depth of emotion, intense sensuality and a plot that twists and turns, leaving readers breathless and deliciously satisfied.”—Romantic Times, 4 1/2 Stars!

WILD AT HEART Scotland, 1812: He's ferocious and rugged to the bone, an English soldier more at home on the battlefield than in any Society drawing room. And when Major Gabriel Forrester learns that he's inherited the massive Scottish Highlands title and estate of a distant relation, the last thing he wants to do is give up the intensity of the battlefield for the too-soft indulgences of noble life. Like any good Highlander, Fiona despises the English—and the new Duke of Lattimer is no exception. Firstly, he is far too attractive for Fiona's peace of mind. The Lady Travelers Guide to Happily Ever After

Always a Scoundrel

#1 New York Times bestselling author Stephanie Laurens brings you the delights of a long-ago country-village Christmas, featuring a grandmother, her grandchildren, an artifact hunter, the lady who catches his eye, and three ancient coins that draw them all together in a Christmas treasure hunt. Therese, Lady Osbaldestone, and her household again welcome her younger daughter's children, Jamie, George, and Lottie, plus their cousins Melissa and Mandy, all of whom have insisted on spending the three weeks prior to Christmas at Therese's house, Hartington Manor, in the village of Little Moseley. The children are looking forward to the village's traditional events, and this year, Therese has arranged a new distraction—the plum puddings she and her staff are making for the entire village. But while cleaning the coins donated as the puddings' good-luck tokens, the children discover that three aren't coins of the realm. When consulted, Reverend Colebatch summons a friend, an archeological scholar from Oxford, who confirms the coins are Roman, raising the possibility of a Roman treasure buried somewhere near. Unfortunately, Professor Webster is facing a deadline and cannot assist in the search, but along with his niece Honor, he will stay in the village, writing, remaining available for consultation should the children and their helpers uncover more treasure. It soon becomes clear that discovering the source of the coins—or even which villager donated them—isn't a straightforward matter. Then the children come across a personable gentleman who knows a great deal about Roman antiquities. He introduces himself as Callum Harris, and they agree to allow him to help, and he gets their search back on track. But while the manor five, assisted by the gentlemen from Fulsom

Hall, scour the village for who had the coins and search the countryside for signs of excavation and Harris combs through the village's country-house libraries, amassing evidence of a Roman compound somewhere near, the site from which the coins actually came remains a frustrating mystery. Then Therese recognizes Harris, who is more than he's pretending to be. She also notes the romance burgeoning between Harris and Honor Webster, and given the girl doesn't know Harris's full name, let alone his fraught relationship with her uncle, Therese steps in. But while she can engineer a successful resolution to one romance-of-the-season, as well as a reconciliation long overdue, another romance that strikes much closer to home is beyond her ability to manipulate. Meanwhile, the search for the source of the coins goes on, but time is running out. Will Therese's grandchildren and their Fulsom Hall helpers locate the Roman merchant's villa Harris is sure lies near before they all must leave the village for Christmas with their families? Third in series. A novel of 70,000 words. A Christmas tale of antiquities, reconciliation, romance, and requited love.
