Ten-year-old Mafalda hides the fact that she is going blind from her family and friends in this lyrical, bittersweet debut novel from Italian author Paola Peretti that shows you how to overcome the darkness—even when you can't see the light at the end of the tunnel. There are a lot of things ten-year-old Mafalda cares a lot about. Like, counting the stars in the night sky, playing soccer, and climbing the cherry tree outside her school. Mafalda even goes so far as to keep a list of all these things, because soon she won't be able to do them anymore—because she's going blind. Even with her bad eyesight Mafalda can see that people are already treating her differently—and that's the last thing she wants. So, she hides the fact that her vision is deteriorating

faster than anyone predicted, and she makes a plan: When the time is right, she'll go live in the cherry tree, just like her favorite book character. From the acclaimed author of *The Lemonade War* comes a new book starring two smart girls determined to liven up their town—one epic prank at a time. Odawahaka has always been too small for Maggie's big scientific ideas. Between her stuck-in-a-rut mom, her grumpy grandpop, and the lifetime supply of sludgy soda in the fridge, it's hard for Maggie to imagine a change. But when Lena moves in with her creative spirit and outrageous perspective, middle school takes off with a bang. Someone starts pulling the kind of pranks that send their rule-loving new principal into an uproar—complete with purple puffs of smoke, parachuting mice, and a scavenger hunt that leads to secret passageways. Suddenly the same-old football games, election for class president, and embarrassing stories feel almost exciting. And for the first time in her life, Maggie begins to wonder if there might be more to Odawahaka than she ever saw coming! Humorous, smart, and full of small-town heart, *Nothing But Trouble* will have mischief-loving readers caught up in the cleverness and determination of two girls who can't be held down.

“A bold, new voice.” —People “A nuanced addition to the #MeToo conversation.” —Vice A young survivor tells her searing, visceral story of sexual assault, justice, and healing in this gutwrenching memoir. The numbers are staggering: nearly one in five girls ages fourteen to seventeen have been the victim of a sexual assault or attempted sexual assault. This is the true story of one of those girls. In 2014, Chessy Prout was a freshman at St. Paul’s School, a prestigious boarding school in New Hampshire, when a senior boy sexually assaulted her as part of a ritualized game of conquest. Chessy bravely reported her assault to the police and testified against her attacker in court. Then, in the face of unexpected backlash from her once-trusted school community, she shed her anonymity to help other survivors find their voice. This memoir is more than an account of a horrific event. It takes a magnifying glass to the institutions that turn a blind eye to such behavior and a society that blames victims rather than perpetrators. Chessy’s story offers real, powerful solutions to upend rape culture as we know it today. Prepare to be inspired by this remarkable young woman and her story of survival, advocacy, and hope in the face of unspeakable trauma.
