Who I Am Today

It's challenging enough to be a normal high school senior -- but Caitlin O'Conner has a host of new difficulties to deal with in the third book of Melody Carlson's widely popular and fascinating teen series. Time is critical to help the orphans in Mexico, missions-minded Caitlin believes, but Mom and Dad are set on her attending college. Meanwhile, her relationship with Josh takes on a serious tone via e-mail -- threatening her commitment to "kiss dating goodbye." When Beanie begins dating an African-American, Caitlin's concern over dating seems to be misread as racism. One thing is obvious: God is at work through this dynamic girl in very real but puzzling ways. A soul-stretching time of racial reconciliation at school and within her church helps her discover God's will as never before. From the Trade Paperback edition.

I Know You Know Who I Am

Through a process of channeling heartfelt messages daily from a higher source, author Marilyn Vickrage's life was transformed. Now, she shares the intimate journey to peace. After experiencing many of life's setbacks, she knew that she had to start changing the world—from within. Aligning her human self to her higher self provided the emotional, mental, and spiritual support needed to lift her to a more profound connection and consciousness with divinity. Marilyn awakened the giant within, enabling a flood of beautiful, caring messages to guide her through stormy waters. She used her life experience—balanced with inner wisdom—to create a personal guidance system, and now she lives a life centred in love, peace, and harmony, every moment of every day. You can know this love, peace, and harmony for yourself. Humanity is plagued with fear, upheaval, and uncertainty, and it's easy to feel as if you are on your own. But once you realise that you are far from alone in this world, you can transform your reality. By taking stock of what you have created in your life, you can change your outer world by addressing your inner one through introspection. Marilyn's message is simple yet profound, offering the potential to trigger memories and insights. You already know who you are and what your place is within the divine plan—you just need to remember! We each have the ability to awaken others in our sphere of influence, simply by expressing the love we each hold and transmitting it outwardly for all to feel.

What Made Me Who I Am

Seven short stories, some shorter than others, written at different times: "Guardian", "The Greystone Mystery", "The Girl on the Swing", "Memory of a Love Story", "See Who I Am", "A Summer Night's Dream" and "My Love". A common thread runs through all the tales, for the reader to discover. But don't forget, things are not always as they seem and life can surprise you, changing from one day to the next. So keep your eyes open. Happy reading!

Do You Know Who I Am?

Said God to Moses, "I am who I am." Ever since, questions about God abound. Who, what, where, when, why? Even, how many? In the Christian faith tradition, what about all that "trinitarian" stuff the Father, the Son, the Holy Spirit? Is it one God? Three Gods? What's up? I AM WHO I AM is God's answer to all these questions and more. For the first time ever, God speaks out. The God of the Holy Spirit, the immanent God inside, speaks out! And all is good. I AM WHO I AM is God's answer to all these questions and more. For the first time ever, God speaks out. By overthrowing the hierarchical Trinity (with the Father enjoying a view from the top and the Holy Spirit bringing up the rear) and by replacing it with a circular Trinity having no beginning and no end, for the first time ever, God is free to speak God's mind. The God of the Holy Spirit, the immanent God inside, speaks out! And all is good. The book is divided into six Parts (as we all know, on the seventh, God rests). After a general introduction in Part I, Parts II-IV are devoted to each persona of the Trinity offering thoughts on anything and everything: on Creation and the Creative Process; on the "mind of God;" on the need for an "extreme make-over" when it comes to God and the Holy Trinity in contemporary society; on the universality of the story of Jesus; and so much more. Speaking to the reader in no-nonsense, user-friendly terms, Part V addresses such theological topics as "The Prayer of the Preyer," "S.I.N.," Satan, Heaven, Hell, and everything in between. The final part, the Epilogue, is a return of that talking donkey out of the Book of Numbers, Balaam's Donkey, reporting from the parade route of Jesus into Jerusalem. It is something that no one should miss. Finally, an autobiography of God as seen through the lens of God! Finally, the God of the Holy Spirit gets his/her say! And all is good. (I AM WHO I AM is the first of three autobiographies featuring God, Satan, and Jesus, respectively. Stay tuned for Satan's personal story in E-MAILS FROM THE UNDERWORLD and for I AM THE WORD: AN AUTOBIOGRAPHY OF JESUS.)

It's Not Who I Am

Discusses the basic psychological principles of interpersonal relationships.

Who I Am

For readers who loved Do You Think I'm Beautiful? Angela Thomas's new book explores a woman's need to be known and loved—just as she is. In her book Do You Know Who I Am? Angela Thomas asks God if He knows her—and ultimately does He love her—as she is, right now, today. In each chapter, she names a different identity issue, such as: "I am invisible," "I am worn out," "I am

undisciplined," "I am ordinary," and "I am afraid to dream." With each honest admission, Angela teaches that God lovingly replies, "Yes, I know your heart. I see your struggle. Now...do you know who I AM?" Ultimately Angela reveals that the secret to being known and loved lies in an intimate understanding of who God is. Each identity struggle is answered with a short biblical study on the character of God that assures readers that their personal, spiritual, and eternal fulfillment is not dependent on getting themselves together. Rather, God has a purpose for them just as they are—broken, afraid, disappointed, disillusioned. Through vivid storytelling, biblical teaching, and practical application, readers will find the heartfelt answers they seek.

Knowing Who I Am

Holly Simon is a woman of individuality, authenticity, and determination. Married to a Chicago cop, and a fiercely loyal mother, Simon's life was on a comfortable trajectory. Then, her fifth baby, Nate, was born with Down Syndrome. Things could have changed with a simple "Congratulations." Instead, the medical staff made the mistake of saying, "I'm sorry." Since the day Nate arrived, Simon has been working to change the world's "sorries" to "congratulations," advocating for all people who have special needs. As founder and executive director of the I Am Who I Am Foundation, Simon has touched thousands of lives with the simple message of acceptance through awareness. It hasn't always been easy. The challenges of raising a child with special needs and facing her own serious health issues taught Simon how to be the change she wanted to see. By sharing her story in "I Am Who I Am," she invites readers to make important changes in their own lives. Read. Be inspired. Write yourself a new life story

Now I Remember Who I Am

The Who I Am in Christ ebook reminds us what God has done through His Son, Jesus. We can live with confidence and hope because we are "forgiven," "beloved," "new creatures," "rescued," "made alive," "loved," and and that's just the beginning! Each of the 30 traits has a Bible reference. Be reminded and reassured of the many qualities and characteristics you possess as a believer. This will be treasured for years. Ways to use this ebook •personal worship •time alone with God •Sunday school classes •small groups or home fellowships •new believers •discipleship •counseling •recovery/addiction groups •single mothers groups •pastoral counseling •hospital and hospice Study Questions for Personal or Group Use •Read panels 1-2. Pick one or two traits that believers have as a result of having faith in Jesus Christ. Look up the Scripture references. How does this connect with your life, and why is it meaningful to you? •Read panels 3-4 on "Who God created me to be." Pick one of these traits and look up the Bible references. Why did you select this one? How would you apply it to your life? •Read panels 5-6 on "Who I am on my own (when I ignore God)?" Even after putting faith in Christ, people still face the temptation to live life for themselves. Look up the verses for this trait and read them aloud. What practical ways can a person let go of their selfish patterns? •Read panel 7. The Apostle Paul was a very important person before he started following Christ. Compare what he says about his life before and after. What strikes you as most important? •Read panels 8-10 on "Who I will be in Christ." Pick one favorite and read the verses. Why is this promise encouraging to

you? •Read panels 11-13 and focus on panel 13. How are you a member of Christ's body? How are you willing to serve?

Why Am I Afraid to Tell You Who I Am?

"In the linked and tightly thematic stories [in this collection], Kispert explores deception, performance, and the uneasiness of reconciling a queer identity with the wider world, with characters who try to navigate that dissonance by acting like another person for someone else"--

Tell Them Who I Am

I Am Who I Am is about children living in a world full of changes. Many things are likely to change, including our ways, behaviours and attitudes. But one thing you cannot change is you. You are who you are, and no one can change who you are!

I Am Who I Am Because

Powerful and moving stories of inspiration, adversity, and triumph from the Washington Speakers Bureau. Starting a business is a wonderfully naïve venture. Only a fortunate few will survive—and very few of those who thrive will have something special to say about failure, success, and leadership. Bernie Swain is one of those few very fortunate people. He quit his job in 1980 to start a lecture agency with his wife and a friend. By the end of their first rocky year—just as his savings were running out—Swain's first revenues trickled in. He began signing every speaker on a handshake; this proved to be the hallmark of trust that helped accelerate the company's growth. Years later, his roster of speakers would be the greatest in history since America's first agency represented a host of notables such as Mark Twain, Susan B. Anthony, and Frederick Douglass. The firm continues its practice of signing speakers on the strength on a handshake. The best of Swain's fortunes turned out to be the speakers themselves because these remarkable leaders had become his friends. What Made Me Who I Am captures the leadership transformations of 34 of those friends—from Doris Kearns Goodwin to Colin Powell, Terry Bradshaw to Tom Brokaw, and Tony Blair to Dave Barry. This assembly of people defines a generation. What were their most powerful influences? Defining moments? Decisions that contributed the most to their character and accomplishments? Swain captures answers to these questions and more in an inspiring, practical collection of true-life stories for leaders today. What Made Me Who I Am is also a terrific gift book for graduates and others who are just starting out in life.

Who I Am

A sampling of the popular wit and insights of the Garrison Keillor of his era

I Am Who I Am

Learning and Enriching Who I Am

My name is Kylie and I am a fifty eight year old woman. This is the story of my struggle within and with coping and my ultimate understanding which would sow the seeds for this book (there are some events/organisations and people that I have not mentioned for either my reasons or theirs). The first three and a half years of my life is blank; I have no recollection of what may have went on, in fact my earliest childhood memory is when I am around four years old.

Nobody yet Knows Who I Am

He observes them, creating portraits that are intimate and objective, while breaking down stereotypes and dehumanizing labels often used to describe the homeless. Liebow writes about their daily habits, constant struggles, their humor, compassion and strength.

I Am who I Am

For author Doe Running Deer, life has been a series of tragedy and healing. In *My Past Decisions Have Made Me Who I Am Today*, she narrates the stories of her trials and tribulations, sharing how faith helped her get through the difficult periods. Using personal anecdotes to illustrate how God has worked in her life, she explores the doubts, fears, and perplexities she experienced and describes how she found comfort and guidance in the Bible and through prayer. In this memoir, she recalls growing up as the oldest of four in a small Texas town against the backdrop of her parents' alcoholism and marital issues; being molested by a cousin at an early age; being introduced to Jesus Christ in her teenage years; marrying an alcoholic; and enduring his subsequent suicide. With scriptural examples to highlight key points, *My Past Decisions Have Made Me Who I am Today* serves to communicate the message that there is healing and that God is listening and is rescuing his people from their hurts and pains.

I Know Who I Am

Growing up in Australia with non-English-speaking, hardworking parents, Storm struggled to find her place in the world. From a very young age, Storm's inner world was plagued by a low sense of self-worth and acceptance. Marrying young and

welcoming beautiful children was meant to heal her pain, yet this ultimately led to the most heart-wrenching and devastating time of Storms life. This is a personal story of Storms struggles with emotional abuse that led to depression, her search for peace, and her enduring hope for the future.

I Love Who I Am

Remind Me Who I Am, Again

STICKING UP FOR WHO I AM Answers to the Emotional Issues Teenagers Raise So, who are you? Are you the fun-loving friend, the quiet student, the stoic athlete, the lonely teen . . . ? Chances are - you're not really sure. This book will help you explore some of the feelings and fears that are hidden in your soul. The author provides physical knowledge and spiritual insights to help you cope with the emotional issues you face. You will discover that who you are has nothing to do with the attributes or abilities that you possess. It has everything to do with who you allow God to be. The text is filled with interesting stories, real-life examples, and thought-provoking allegories, many of them taken from the author's personal experiences as she raised four sons through their teenage years. The powerful material remains lively and entertaining while focusing on life-changing truths. A TREMENDOUS RESOURCE for TEENAGERS, PARENTS, TEACHERS, and YOUTH WORKERS!! GWENDOLYN MITCHELL DIAZ began life as a missionary kid in Nigeria. Her family moved to the United States when she was ten. A graduate of the University of Pennsylvania, she spent many years working in the medical profession, but found time to write magazine articles and newspaper columns about sports, family, and her faith in God. She has published several books for Moms (including The Adventures of Mighty Mom) as well as three books for teenagers dealing with the issues they face. Sticking Up For Who I Am is the last in this trilogy. As the mother of four boys, Gwen is passionate about helping teens solidify their faith and grow as Christians. She and her husband Ed strive to present Christianity to teens in a way that "captures their interest, satisfies their curiosity, and communicates God's exciting truths."

Who I am in Christ

A pictorial and poetic celebration of everyday life and the human experience

My Past Decisions Have Made Me Who I Am Today

Your journey into a healthy and gratifying pregnancy for you and your baby starts here!

I AM Changes Who i Am

In this beautiful tribute to the human spirit, the authors express, in clear words and powerful images, understandings every child should have within. I wish every child in the world could have this book read to them by someone they love.

Sticking Up for Who I Am!

Wherever she goes the popular South African singer and celebrity, Nianell, offers this important, inspiring message: Every one of us may, can and should love ourselves. If we can do this, we will touch people around us and thereby make a difference in their lives. In her first book, Knowing Who I Am, the acclaimed singer tells of the lessons life has taught her and of discovering how to love herself. Nianell takes the reader on a journey through her life, from being a shy, withdrawn schoolgirl to becoming the person she is today – sharing freely what she has learned along the way. Like most people, Nianell has had to face challenges, and she offers an honest, transparent and unpretentious account of her personal experience of suffering, the struggle to belong, love, womanhood, being a mother of triplets and being a star. Above all, says Nianell, she has learned that each of us can and must love ourselves, and we always have to remember who we really are. Her personal stories, many shared with the public for the first time, illustrate how she came to the point of accepting herself and always remembering who she is. Nianell's descriptions of her personal experiences will touch the heart and give people insight into her life and the fact that celebrities face the same issues we all wrestle with. Her stories will inspire you and help you realise the value of accepting and loving yourself as you are. Knowing Who I Am is an enjoyable combination of biography and inspiration – it is a reading and growing experience that will remain with you long after you have finished the book. The book comes with a special bonus CD containing some of Nianell's hit songs.

Who I Am in Christ (Large Print 16pt)

To survive the Holocaust, there were many people who knowingly assumed new identities, or unknowingly, were given new ones. Could they change back, or even find out who they once were? In "I Am Who I Am," Eve Elovic presents two novelas that reflect the destiny of individuals who could not, by choice or by fate, be who they were, until

Who I Am

Nobody Yet Knows Who I Am: A Personal History: 1943 - 1953 is the second volume in Robert Ayres Carters memoir. The first volume, Sundays Child, was published in 2005 by Xlibris. This volume opens with the authors military service as an enlisted man in the United States Army in World War II, highlighted by a tour of duty in the China- Burma Theater. Returning to the States in 1946, Mr. Carters story then resumes with his career as a book salesman, a student in New York City, a Fulbright Scholar at the Sorbonne in Paris, and as an Instructor of French at Stephens College in Columbia, Missouri. The book closes in 1953, with Mr. Carter once again back in New York City, this time determined on a career as a professional writer.

Tell Me Who I Am: The Sunday Times Bestseller and Netflix Original Documentary

NIALL McGRATH is from Antrim, and has had the following publications: poetry - First Sight (Lapwing Press, 1997), Deja vu (Poetry Monthly Press, 1999), Godsong & A Matter of Honour (Black Mountain Press, 2000), First World (Poetry Monthly Press, 2002) and Reversion (Sixties Press, 2003); novel - Heart of a Heartless World (Minerva Press, 1995). He is currently editor of The Black Mountain Review

I Am

Teddy enjoys trying on many different career "hats" to discover what he wants to be when he grows up. Along the way, he discovers that his Uncle Jeff has come home from the war with a severe brain injury, which has changed who he is. Teddy and his neighbor Dr. White explore the symptoms of Post Traumatic Stress Disorder and Mild Traumatic Brain Injury, as Teddy tries to understand why his uncle doesn't act the same way he did in the past.

100% Real

It's time to take our lives back from a world of narcissism, entitlement, and toxic relationships. "Don't You Know Who I Am?" has become the mantra of the famous and infamous, the entitled and the insecure. It's the tagline of the modern narcissist. Health and wellness campaigns preach avoidance of unhealthy foods, sedentary lifestyles, tobacco, drugs, and alcohol, but rarely preach avoidance of unhealthy, difficult or toxic people. Yet the health benefits of removing toxic people from your life may have far greater benefits to both physical and psychological health. We need to learn to be better gatekeepers for our minds, bodies, and souls. Narcissism, entitlement, and incivility have become the new world order, and we are all in trouble. They are not only normalized but also increasingly incentivized. They are manifestations of pathological insecurity—insecurities that are experienced at both the individual and societal level. The paradox is that we value these patterns. We venerate them through social media, mainstream media, and consumerism, and they are endemic in political, corporate, academic, and media leaders. There are few lives untouched by narcissists. These relationships infect those who are in them with self-doubt, despair, confusion, anxiety, depression, and the chronic feeling of being "not enough," all of which make it so difficult to step away and set boundaries. The

illusion of hope and the fantasy of redemption can result in years of second chances, and despondency when change never comes. It's time for a wake-up call. It's time to stem the tide of narcissism, entitlement, and antagonism, and take our lives back.

Knowing who I Am

From the moment a woman wakes until she falls, exhausted, on her pillow, one question plagues her at every turn: Am I enough? The pressure to do more, be more has never been more intense. Online marketing. Self-help books. Movies, magazines and gym memberships. Even church attendance and social media streams have become a means of comparing ourselves to impossible standards. Am I pretty enough? Hip enough? Spiritual enough? We fear the answer is "No." When a brutal bout with cancer changed how she looked, talked, and lived, Michele Cushatt embarked on a soul-deep journey to rediscover herself. The typical self-esteem strategies and positivity plans weren't enough. Instead, she needed a new foundation, one that wouldn't prove flimsy when faced with the onslaught of day-to-day life. With raw personal stories, rock-solid biblical teaching, and radical truths on which to rebuild your life, I Am will help you:

- End the barrage of negative self-talk with an empowering new narrative.
- Refuse to ride the rollercoaster of others' opinions and start believing what God's says about you.
- Stop agonizing over past regrets and failures and make peace with God's sovereign plan for your life.
- Leave insecurity behind as you exchange temporary fixes for an identity established on God's unchanging affection.

I Am reminds us that our value isn't found in our talents, achievements, relationships, or appearance. It is instead found in a God who chose us, sent us, and promised to be with us—forever.

I Am Who I Am

God never gives up on us. He remains steadfast in His desire to bless us, even when many of us are tempted to doubt His love. The great tragedy is that so many of us spend our lives trying to earn something we already have - the gift of life which God freely gives us when we decide to follow Christ. This amazing devotional from best-selling author Neil Anderson will give readers back what the enemy is trying rob from them an understanding of their special place in God's family. Here are 36 readings and prayers based on scriptural passages that assure us of God's love and our security and freedom in His kingdom.

I Am Who I Am

Living the Christian life is not easy, especially in today's culture. To be who and do what God commands, Christians need to recapture the miraculous. Unfortunately, miracles have been left either with cable TV faith healers or tour guides in the Holy Land. That has to change, because it's by seeing what God does that we discover who He is. And knowing who He is and what He does will change who we are and what we do. Pastor Gregg Matte believes that the seven "I AM" statements and the seven miracles recorded in the Gospel of John can give believers a framework for living God's will. In I AM Changes Who i Am, readers will explore what Jesus says and does and find out what that means for their walk with Him.

See Who I Am

In order to know who you are, you must first know whose you are. In *I Am Who I Am Because*, Reverend Tommy J. Chatman illustrates what it takes to live a life that is God-fearing, joyous, loving, peaceful, prosperous, and addresses the issues that eventually cause downfalls in our lives. It's not how long you live, but how you live your life that matters most. Know the foundation by which you stand. Know the purpose for your creation. Live your life so God can use you. *I Am Who I Am Because* is full of inspirational points to better your life now and eternal.

"Don't You Know Who I Am?"

Oscar-nominated Charlotte Rampling most recently appeared in hit ITV drama *Broadchurch*, the BBC's *London Spy* and HBO's *Dexter*, and the feature film *45 Years*. Her career has spanned popular entertainment and arthouse cinema, having starred in English, French and Italian films from 1966's *Georgy Girl* (opposite Lynn Redgrave), to films with French director François Ozon, including 2003's *Swimming Pool*. Having shied away from biographies and autobiographies ("too personal") Rampling has now written *Who I Am* (first published in French) a lyrical, and intimate self-portrait via reminiscences. Highly personal, packed with photographs from her personal archive, Rampling recounts her childhood and youth as the daughter of an army officer (who won a gold medal for the 4 x 400 relay in the infamous 1936 Berlin Olympics), and the memories and passions that would inspire her life and later work as an actress. Written in a style that gives a unique insight into her screen persona, it is an idiosyncratic and beguiling insight of one of the most consistently adventurous and interesting actors.

I Am Who I Am

At the beginning of the 1990s, Linda Grant's mother, Rose, was diagnosed with Dementia. In *Remind Me Who I Am*, Again Linda Grant tells the story of Rose's illness and tries to reconstruct the history of their Jewish immigrant family, stalking them from Russia and Poland to New York and London. Writing with humour and great tenderness, Grant explores profound questions about memory, autonomy and identity, and asks if we can ever really know our parents.

Tell Me Who I Am

A journalist receives a proposal to investigate the eventful life of his great-grandmother, about whom all that is known is that she fled Spain, abandoning her husband and child, shortly before the Civil War broke out. The memoir of an entire century, this novel adds a new, original chapter to Julia Navarro's best-selling career. *Tell Me Who I Am* surprises and enchants with a captivating and heartrending story. This is a novel about memory and identity with an exceptionally well-drawn and unforgettable literary character: a woman who throughout her extraordinary life was able to achieve the highly difficult feat of knowing herself. A victim of her mistakes, aware of her guilt, frightened by her traumas, she is above all an anti-heroine, a flesh-and-blood woman who always acts according to her principles, facing up to every challenge and making errors for

which she will never fully pay. A woman who decided that she couldn't be neutral in this life. Navarro's most personal novel surprises for its melodrama and the raw emotions transmitted by many of its stories. It is filled with pure adventure, introspection and political chronicle. From the tumultuous years of the Second Spanish Republic to the fall of the Berlin Wall, including World War II and the Cold War, these pages are packed with intrigue, emotion, politics, espionage, love, betrayal and settings like Madrid, Barcelona, Paris, Buenos Aires, Mexico, Moscow, London, Berlin and Warsaw with brief stopovers in The Basque Country, Cairo, Athens, Lisbon and New York.

Who I Am

What does it mean to be real? Meet Zoey who wonders the same thing after her classmates question her about being adopted. However, with the help of her new friend Janelle and her parents, she discovers that she has more in common with her family than she realized This book is great for anyone who wants to know more about self-esteem and loving themselves and others for who they are. 100% Real is a delightful story of acceptance and friendship, by Tara Michener, the author of Who I Am not What I Am.

Who I Am

I Know Who I Am is your declaration, affirmation, and confirmation 365 daily reminders. This book is for the woman who has taken inventory of her life and has replaced each void with patience, forgiveness, and love all of which she so desperately sought in others. She is the woman who learned the lessons over and over and over again until she was ready to get it right. She is the woman who hurt others because she too was hurting. She is the woman who gave herself to him because he asked. She is the woman who raised her child(ren) all by herself. She is the woman who said, "I do," and regretted what she did. She is the woman who lost herself in others. She is the woman who stood up one day and said, "No more." She is the woman who forgives herself daily and now everyone else. She is the woman who loves herself unconditionally. She is the woman who shares her many talents and gifts with others. She is the woman filled with an inner joy, love, peace, strength, confidence, gentleness, and patience. She is the diamond she was waiting for. She is the woman who shouts, "I know who I am!" I salute you for knowing who you are! Louise

GUESS WHO I AM

This is a short story for children. Parents sometimes need a quick read for bedtime. This is about a day in the life of an animal, as you go along children have to try and guess what animal it is. It is as if the animal is writing the story. It is written in rhyme as I feel this catches the children's attention. I will be adding more books to make a little series.

I Am who I Think I Am--

Imagine waking up one day to discover that you have forgotten everything about

your life. Your only link with the past, your only hope for the future, is your identical twin. Now imagine, years later, discovering that your twin had not told you the whole truth about your childhood, your family, and the forces that had shaped you. Why the secrets? Why the silences? You have no choice but to begin again. This has been Alex's reality: a world where memories are just the stories people tell you, where fact and fiction are impossible to distinguish. With dogged courage he has spent years hunting for the truth about his hidden past and his remarkable family. His quest to understand his true identity has revealed shocking betrayals and a secret tragedy, extraordinary triumph over crippling adversity and, above all, redemption founded on brotherly love. Marcus his twin brother has sometimes been a reluctant companion on this journey, but for him too it has led to staggering revelations and ultimately the shedding of impossible burdens. Their story spans continents and eras, from 1950s debutantes and high society in the Home Counties to a remote island in the Pacific and 90s raves. Disturbing, funny, heart-breaking and affirming, Alex and Marcus's determination to rebuild their lives makes us look afresh at how we choose to tell our stories.

I Am Who I Am

From the voice of a generation: The most highly anticipated autobiography of the year, and the story of a man who is a Londoner and a Mod. wanted The Who to be called The Hair. loved The Everly Brothers, but not that "drawling dope" Elvis. wanted to be a sculptor, a journalist, a dancer and a graphic designer. became a musician, composer, librettist, fiction writer, literary editor, sailor. smashed his first guitar onstage, in 1964, by accident. heard the voice of God on a vibrating bed in rural Illinois. invented the Marshall stack, feedback and the concept album. once speared Abbie Hoffman in the neck with the head of his guitar. inspired Jimi Hendrix's pyrotechnical stagecraft. is partially deaf in his left ear. stole his windmill guitar playing from Keith Richards. followed Keith Moon off a hotel balcony into a pool and nearly died. did too much cocaine and nearly died. drank too much and nearly died. detached from his body in an airplane, on LSD, and nearly died. helped rescue Eric Clapton from heroin. is banned for life from Holiday Inns. was embroiled in a tabloid scandal that has dogged him ever since. has some explaining to do. is the most literary and literate musician of the last 50 years. planned to write his memoir when he was 21. published this book at 67.
